June 2023

"FRIENDS FOR FUN, SAFETY, AND KNOWLEDGE"

NEXT GET-TOGETHER: Tuesday 6/6/23 —American Legion, Post 4, 8355 US-42, Florence, KY 41042. Eat at 6pm. Meeting at 7pm

Chapter G held our Tech Day on 5/7/23. The weather cleared enough so that we could enjoy good food and company. Thanks to the Thornton's and Ron Harper for hosting this event. Rick Cridlin won the bucket of cleaning items.

Had a lunch ride to deSha's in Maysville, KY. Good turnout. Was a little chilly in the morning, but by the afternoon... it was great day for a ride.

Chapter G's lunch ride, in May, was to Hidden Water Restaurant at Blue Lick State Park. The weather was cloudy but that didn't stop G from riding.

Chapter G held their GO Expo that the Indian Motorcycle of Northern Kentucky, In Richwood. We had music by The Charitables and Bailey Jaynes Funnel Cake Truck. Thanks to the G crew who showed with their trikes, bikes, campers, trailers and toy hauler. Thanks to Donita for organizing this event.

Congratulations to Pete Heiss who was part of the Honor Flight, Tuesday, May 23rd. A few G members were their to see him when he arrived back at CVG, including Bob O'Banion with the Patriot Guard Riders.

In the Spotlight

Bob O'Banion

Bob O'Banion was born and raised in Campbellsville, KY. He spent 4 years in the Navy as a boat operator of a landing craft boat. His job during Vietnam was to shuttle Marines and supplies from ship to shore... all the way to the shore/beach, so that the cargo could be unloaded quickly and easily.

Bob started riding motorcycles in the 1970's. His first bike was a Honda 750 automatic. The Hondamatic CB750A was only built for two years, 1977-78, and was a great bike for beginning riders.

Bob worked several different jobs with several different companies. He finished his career at DHL working as a Conveyor Belt Mechanic. In 2005, DHL moved its operation for CVG to Wilmington, OH. Bob saw this as a great opportunity to get more miles on the bike. He would ride up on Monday, work all week and ride back on Friday.

Bob married his lovely wife Judy in 1980. In 1997 he purchased a new Gold Wing from Honda of Florence. It was there that he was introduced to Chapter G. He and Judy decided to check it out, and after liking what they saw they gladly joined. In 1999 they served as Pins and Patches and were named Couple of the Year that same year. They continued on as Pins and Patches until 2007.

Over the years, Bob has become very active with the Patriot Guard Riders and currently serves as the Captain of our local PGR group.

We appreciate everything Bob and Judy have done for Chapter G, our community, and friends. It's awesome people like these that make our Chapter great!

I can't believe it's June already. May was such a very busy month and Chapter G as a whole had a lot of great times. We started the month with lots of visitors at our monthly meeting from Chapter A (Louisville), C (Lexington), and even a bunch from Chapter K (Henderson) who battled some not so great weather to be there to join us. The COY and IOY mascots changed hands, and everyone had a good time.

Ice Cream rides were well attended even with the move to 6:30 for darkness and Whippy-Dip early closures. We have now returned to 7:00 departures, so come on out and add some fun to your Wednesday nights.

We had several wonderful Saturday rides, thanks to some great planning on the part of our Ride Coordinators, Steve and Lesley. The chosen routes were the perfect mix of challenging, beautiful and fun.

The GO! Expo brought a bunch of us together to enjoy some music, sunshine, tasty treats, and friendship. It would have been better if we had more community participation, but everyone who attended

seemed to enjoy themselves, so I'm calling it a win. And Charlie was able to get another one of those super-large "Watch-Out-For Motorcycles" banners out for public view, so it was a grand slam for the motorist awareness team. We also made some good friendships with the dealership and a great band.

On the social front, Bingo is still going strong on Wednesdays and Judy got a group together for a fun movie night.

June is shaping up to be just as fun, or even a little more, so make plans to join in so you don't get left out.

Donita Nardi
Chapter Director

It's hard to believe it's June! I don't know about you, but this year is moving fast. I find that with each year I grow older, the year seems to past faster. Seems like only yesterday we were just joining the G and starting to enjoy all the Chapter offers.

We had a great tech day. The weather finally cleared in time for us to have a gathering of Chapter G members old and new to eat, drink and work on bikes. Congratulation to Rick Cridlin who won the bucket of cleaning items.

We are looking forward to attending the 2023 Kentucky Ride-In June 2nd-3rd. Chapter T has a lot of great rides planned. Hope to see you there.

The website is taking shape thanks to our new webmasters Lesley and Steve. Take a look if you haven't been on it lately. There is now an event tab that contains separate listings for Social events, Camping events and State events. Coming soon will be a picture gallery!

The first Wing'd Rally will be at the end of June and the first part of July. We are hoping we can still attend. We'll know for sure after John's June 9th doctor appointment. Fingers crossed his second knee surgery will be after the Rally.

Don't forget Chapter G continued to gather at various Longnecks on Wednesday night in May for Bingo, and we continued to win, occasionally. Many are now participating in the Ice Cream Rides on Wednesdays nights, but Bingo will continue for those who wish to participate or if the Ice Cream Ride gets rained out.

TREASURER'S

Hi Chapter G,

Congratulations to our winners from the May 2nd Get Together!! Rena Hobbs won the \$10 "Membership" Draw this month. Charlie Hobbs (lucky Hobbs family) won 1st place of \$46, Chris Davis won 2nd place of \$28 and Mary Eicher won 3rd place of \$19.

Thank you to all who participated at the May Gathering.

We want to thank Dean & Kim Hedger as always doing a great job selling 50/30/20 tickets at our meetings each month!! If it was not for Dean & Kim selling tickets and our wonderful members and guests purchasing our 50/30/20 tickets, we would not have the opportunity to do the fun events that we do each year.

MEMBER ENHANCEMENT

Hello "G" Friends,

Let us get out and ride – the weather is perfect (not too hot and not too cold) – try to attend the Chapter G Rides, other Kentucky Chapter Rides along with the Kentucky State Rides, also check out our websites and newsletters.

The most important is to be with our "G" Friends and our fellow Kentucky Chapters and enjoy the beautiful Kentucky scenery.

As Wing'd Riders, we receive a monthly magazine that features fantastic articles as well as talking about the upcoming Wing'd Event in Litchfield, MO from Wednesday June 28 thru Saturday, July 1, 2023, try to attend. I am sure it will be lots of fun!!

Please contact us if any of your contact information has changed—we don't want you to miss anything. Also, if we are missing your birthday or wedding anniversary dates, please let us know so you can be recognized. If you have any questions or need assistance, please do not hesitate to contact us.

We are highlighting a ride made by a member each month. We did not have any submissions for April, so we will recognize a ride by Steve and Lesley on Mother's Day. Here is her description of the ride.

Well, it was Mother's Day, and my daughter and grandchildren live in Canada, so what does this mother do? Well, it's a nice day, chores are mostly done, so we ride! Now when we ride, we don't always ride the Goldwing, so this was a chance to take my bike (Kawasaki Vulcan S 650 and Steve's fathers' bike (we are bike-sitting while they are in Florida), a Suzuki C50, out around the roads of eastern Ohio. The weather was glorious, the curves were mostly wide sweepers with some nice twisties thrown in for good measure. We rode so many backroads and a couple of them twice as we missed a turn :-). But on a motorcycle, who cares! The odometer said only 95 miles, but it was 3 glorious hours of fun! Of course, out here along the river, all roads seem to end at Chilo 52 Dairy Bar. Since it was late when we got back, we had burgers at Gold Star. What more could a mother ask for :-).

The bike pic was taken at East Fork State Park. We visited the beach, and Harsham Dam while riding through the park.

The other day I was making a pre-trip checklist for the Ride In and realized I would need to update my Garmin Zumo 590 GPS that was purchased for our trip to Wing Ding 38 in Billings, Montana. It had been several months since I used it last, so I was thinking it would need an update. Normally a straightforward process, this time the update took a few days.

The first step to update the GPS is to connect it to the computer. Normally, the display comes on and within a few moments the image of a connection to a computer appears, followed shortly by the computer providing an audio confirmation of successful connection. This time there was no sound and the screen was very dim showing a depleted battery symbol. I then opened the Garmin Express application on the computer as this is the required tool to transfer the updates. Garmin Express could not find the GPS. I tried several different cords to be sure I had a data cord (some USB cords are only for power), and that the cord I was using was making a good connection. After verifying my cord was good, I opened the battery compartment and reseated the battery connection (one of the weak points of the 590). After having no luck, I decided to leave the GPS connected to the computer and head to bed.

The next day I was available to check the issue again. Now when I opened Garmin Express, the GPS was found quickly. The display on my Zumo was also much brighter than the day before and showed the proper image. So on to the next step. I downloaded the update and directed Garmin Express to install the data into the Zumo. After the usual check to verify the device would accept the update, a little window opened that I had never seen before, with a message I had not read before, indicating the update was too large for the built in memory to manage. It offered the suggestion to reduce the update to only a small map region or install a memory card. Out of luck yet again, I used my Prime account to get an SD card on the way for tomorrow and went to bed.

I tried again after work the next day and successfully installed the update. Thinking about the process to understand what happened and what I could do better for the next time, I realized there are some similarities between keeping the GPS updated and keeping ourselves updated as motorcyclists.

The first thing I realized is it is important to keep our equipment maintained. Our most important piece of equipment may be our bodies, and if we do not maintain our “batteries” by eating right and exercising, we will not be ready when it is time to be updated with latest information.

Second, we need to know our capacity for doing things and we need to be prepared with additional capacity in case of the unexpected. We never know when an event will test our limits and we need to have a cushion of extra time, equipment, etc., ready to prevent delays.

And third, patience is important to reaching our goal. Every task, every journey can include unforeseen roadblocks. Sometimes things will just take longer than expected. Failing to plan is planning to fail, so sticking with the plan will eventually yield success.

RIDE COORDINATOR

We were able to have 2 rides in May and the weather cooperated for both, although it was touch-n-go for one of them.

On May 6th, we rode to Maysville for lunch at deSha's Restaurant. We had 12 members and 7 bikes. We had beautiful weather for this ride that started out on "Twisty 10". Our food was absolutely delicious, and the service was even better. If you haven't been here, it's a must try!

Our next ride was the following week on the 13th to Hidden Waters Restaurant in Blue Lick State Park. The weather threatened scattered thunderstorms, but we waited it out. You all know how accurate those forecasts are?! If it was just rain, we would have changed the route to go mostly highway, (AA) but thunderstorms would have cancelled the ride. Luck was on our side, and although we missed a few people due to the weather, we had 10 people, 6 bikes, and of course Mr. Harper riding tail and letting us know we were all together – Thank you "Rockin" Ron for doing this for us!!! Additionally, congrats to Kim Pommier for trying our first Co-Rider Scavenger Hunt.

The buffet was delicious, as usual in the Kentucky State Park restaurants. This park has just added a mini

-golf course that only costs a few \$ to play. Great place to camp also!

Our next rides will be to B.D. Mongolians in Lexington, in June and then in July to 52 Classic Diner in Ohio. Please check the website for details and you can email us at ridecoordinator@chapterg.org or can text Lesley at 513.967.2645

We hope to add some overnight rides to the schedule. It's looking to be busy with the Ride-In (June) and then the Blast (August) in addition to planned rides.

CHAPTER G CAMPING SCHEDULE

We hope you plan to join us on our camping trips this season. The following trips have been planned.

June 23-25 we are camping at Elkhorn Campground. We are camping with our grandkids and the Hedgers for a fun weekend. If you would like to join us, please do.

July 20-23 Chapter G will be camping at General Burnside Island State Park. We have campsite #72 reserved.

August 4-6 Chapter G will be camping at Fort Boonesborough State Park. We have campsite #165 reserved.

September 14-17 Chapter G will be camping at Big Bone Lick State Park. This is Chapter G's annual camp out. We have campsite #4 reserved. The Family picnic will be scheduled on a different date.

September 28-October 1 John James Audubon State Park. We will put out a sign in sheet for interest in this camping weekend. If we have enough interest, we will make reservations. There are also 5 one-bedroom cottages at the campground.

Please let us know if you plan to join us. There is always fun to be had on a G camping trip!

Submitted by Carol Redd—Ida Sparrow's Recipe

Following is a "single" recipe. I usually double (and sometimes triple!) this entire recipe.

Ingredients

- 1 lb. bacon (sometimes need a little more than a pound) - cut slices in half
- 1 – 8 oz. can Sliced Water Chestnuts
- Toothpicks

Instructions

Roll water chestnut (1 larger slice or 2 small pieces) in one of the half bacon slices. Pierce through center with toothpick to hold together.

Place fairly close together in a glass baking dish. Bake at 350 degrees for 35-40 minutes.

Drain all grease from baking dish.

After bacon wrapped water chestnuts have been removed from oven and all grease has been drained, stir sauce ingredients together and pour over all bacon pieces. I use a spoon to pour sauce over bacon pieces so toothpicks do not get covered in sauce. Then return to 350 degree oven for 35 – 38 minutes.

SAUCE

1 cup granulated sugar * 1 cup ketchup * 2 Tablespoons Worcestershire Sauce * Dash of Tabasco Sauce
