Northern Kentucky Gold Wing Riders

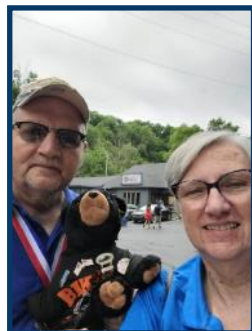

Gold Wing Road Riders Association
"FRIENDS FOR FUN, SAFETY, AND KNOWLEDGE"

JULY 2022

Our dinner ride took us to Hall's on the River. Now, how anyone found this place is beyond me. It's in Winchester, KY but it's out on a road with nothing around. They don't take reservations, so if you want to make the trip, be ready for a 45min—1 hour wait.

Chapter G visited Chapter C June gathering. After the gathering, we took a short ride to visit The Aviation Museum of Kentucky. Once we were finished there, we took a long route to the Brown Barrell in Midway, KY for dinner. It was a beautiful day for riding and a great time by all who participated.

Sometimes in life it is far easier to stay in your comfort zone than to step outside of it . . .

Many of you know the story of how Rick & I came to be members of Chapter G but for those of you who don't, here is our story.

I was a Longaberger consultant and my upline was my sister Evelyn Short. Evelyn called me one day to tell me that some "motorcycle gang" wanted information about a trip to Dresden, OH, where Longaberger baskets were made. That call was made by Tom Dierig, who at that time was ride coordinator. I returned Tom's call and found out that "motorcycle gang" was none other than Chapter G – a group of Goldwing riders. Did I mention that Rick and I also owned a Goldwing? So, I volunteered us to participate in and assist in leading the ride.

Now for those of you who know my husband, I'm sure you realize, assisting with a ride for a group of strangers was nowhere close to, much less in Rick's comfort zone. But because he loves me and always supported my business – he took a leap of faith and did it anyway.

That ride took place in fall of 2008 and by March of 2009 we were members of Chapter G – of course once Jerry Williams reminded us that we'd been to 3 meetings but not yet joined we knew we didn't have a choice . . Lol

For anyone who has known Rick & I since 2009, I am sure you have seen tremendous growth in Rick and his confidence in speaking in front of a crowd. Not only has he been a Chapter G officer, he also now is a proud member of the Ky District staff and has written several articles for Wing World. None of this would have happened had he not stepped outside of his comfort zone and lead that first ride to Dresden 14 years ago.

For me being a member of Chapter G allowed me to plan events which is something I love. It has given both of us friends for life and memories to treasure.

I stepped out of my comfort zone when I approached Rick at a Divorce Support class in 1995 and gave him my business card, telling him to call me if he needed someone to talk to. We were engaged 4 months to the day of giving him my business card. He proposed at Bob's Family Restaurant near Big Bone. That restaurant is now a biker bar. . . .

Life as Chapter G members has helped us grow as individuals, (and as a couple), given us the confidence to travel out west on our bike, blessed us with lifelong friends, provided us with laughs, tears and memories to treasure. But we had to step out of our comfort zone to begin this adventure.

So, whatever keeps you from stepping outside your comfort zone – make the step so your adventure can begin!

DIRECTOR

The year is half-way over and we are half-way through our ride schedule. It has been a great year so far and we are looking at more fun the second half of the year. June was busy and July looks to be the same. I want to thank everyone who showed up to the District Ride-In. We saw some new faces and some we haven't seen for awhile. I hear the camping was great and trust me, the hotel stay was great too. We met a few new people and learned more about the ones we already were acquainted with. That is what the Ride-In is about. We want to thank the District staff for putting together great games, food, and rides. If anyone doesn't know yet, next year's Ride-In will be at the Jenny Wiley State Park. More information will be available later in the year so mark your calendar.

We would like to do another fund-raiser, so we are looking for recommendations. Please let us know what you would like to participate in to raise money for the chapter.

Check out our new web-page! If there is ANYTHING you would like changed or added, please let us know. We have some ideas but would like input from you.

If you haven't signed up for rides and events for July, please get with Chuck or Judy. We have some fun things planned and we are going to Jenny Wiley State Park for a camping and riding weekend. Should be an epic event. See the web-site for additional information.

So far it has been a great year for "the G" and we vow to keep it going. Keep riding often and ride safely. Hope you join us on one of our adventures soon.

Be safe,

*Randy and Kim Pommier
Chapter Team Directors*

Summer is officially here! What activities do you have planned for the summer? Well I hope you have the Florence Y'alls baseball game on your schedule. The G is going on August 20th. Game time is 6:36pm. There will be music, dancing and fun at the baseball game. The cost is \$8.00 per person. Please sign up at the next gathering or contact me to reserve your seat.

Also in August is the KY Blast in Danville, KY. Early registration is still open till July 29th. The dates are August 25-27, three whole days this year and a Luau for a fun Friday night activity. I'm sure you have heard there will also be a Medic First Aid Class, a Trike Ride Course and an Advanced Rider course on Sunday, August 28th. See the KY District website for more information.

To close out the summer we will have our Chapter G Family Picnic at Big Bone Lick. That is September 17th. Our theme this year is G-Toberfest. We will have tons of fun G-style with a German flare. Remember you do not have to be a camper to attend. This event is open to everyone. The cost is \$15.00 per person.

I know our family has already been busy this summer and I'm sure yours has too. I can't wait to hear what you have been up too!

Special events are special because of you!

Hello Chapter G family. This years' crossword was created to help you explore your neighborhood. Yes, every clue is LOCAL!! There are several reasons for this change: first, I'm getting the puzzle out a little late this year, and secondly, I'd like to get more of you involved in the adventure. I'm sure if you try it, you'll enjoy the hunt, and with the completion date of the fall picnic (September 16th—18th), you all still have time to complete the puzzle.

I hope you will take the time to attempt the puzzle and if you have questions about how it works, I will happily help you get started.

Be SAFE, and HAVE FUN!!

Donita Nardi
Chapter Assistant Director

Hello G Friends,

Summer has officially begun and the days are getting longer and hotter. We have had a lot of rain this spring, so now it is time to ride and enjoy the beauty of our great state of Kentucky.

Chapter A did a great job sponsoring the Kentucky Ride-In – the weather was perfect and the rides were set up by Don Price who did a great job. Both Chapter G and the Kentucky District offer so many fun events – come and try to attend our ice cream rides, events, and meetings. Spread the word on how great Chapter G and GWRRA are to your friends and folks you meet on the road.

Also, try to join our special event coming up in August in Danville - the Kentucky Blast. It will be fun as always.

Also, please check your membership cards for expiration dates to ensure that your membership is current. Please contact us if any of your contact information has changed—we don't want you to miss anything. If you have any questions or need assistance, please don't hesitate to contact us. Hi Chapter G,

Congratulations to our winners from the June Get Together!! Chuck McWilliams won the \$10 membership draw this month. Randy Pommier won 1st place of \$29, Judy Norris won 2nd place of \$17 and Mary Eicher won 3rd place of \$12.

Thank you to all who participated at the June Gathering.

We want to thank Dean, Kim & Jack for doing a great job selling tickets at our June Gathering!! If it wasn't for Dean, Kim and Jack selling our tickets and our wonderful members and guests purchasing our 50/30/20 tickets, we wouldn't have the opportunity to do the fun events that we do each year.

RIDER EDUCATION

It has been very encouraging for me to see the increasing interest in Rider Education and the Levels Program in our Kentucky District. I know several Members have asked about trainings, especially the ARC and the TRC, and we will have one of each at the KY Blast in August. These courses, and the others in the Rider Education program that are similar, on-bike type courses, require a GWRRA instructor to present the classroom material, demonstrate and oversee the range exercises, and provide constructive evaluation. These formal types of education are full of information and opportunities to gain experience in proper riding technique in a controlled environment. But with the pool of instructors continuing to shrink each year, and the difficulty of finding a suitable location for these courses, what can the average Member do to work on their technique in the interim? The solution is called Shiny Side Up.

There are 15 “Shiny Side Up” exercises that, unlike the ARC, TRC, and other Rider Education courses, are published and available on the GWRRA.org website, in PDF format. This link, <http://www.gwrroa.org/regional/ridered/L-O-A/League-of-Aces-Motorcycle-Range-drawings-1050-21-May-16.pdf>, will provide the dimensions and cone placements for each exercise. This link, http://www.gwrroa.org/regional/ridered/L-O-A/Descriptions_of_Shiny_Side_Up.pdf, will explain the performance and goals of each exercise. And most importantly, this link, <http://www.gwrroa.org/regional/ridered/L-O-A/N.26%20GWRRA%20Rider%20Course%20Waiver%202020.pdf>, will provide the form that must be completed and signed by each participant, in case of an incident.

These exercises may be used by Chapters and Districts in a variety of ways. On the Chapter level, a single exercise could be used as a skills practice prior to a ride. On a District level, groups of exercises could be used as a fun or competitive event. The exercises can be used in any combination and order as determined by the District Educator.

If used as a competitive event scoring is involved. Scoring is generally a style of “demerit” scoring. This scoring uses a “points off” system with points being deducted for crossing lines, hitting/skipping cones, putting a foot down, etc. Rather than dictating the scoring that a District or Chapter should use, the scoring should be designed by the presenter of the event based on how competitive they would like the event to be.

COUPLE OF THE YEAR

This year a COY raffle was started to support the COY program. We are still selling tickets to win a new 22 inch Blackstone Griddle, which will be given away at The Blast. The winner does not need to be present to win and Rick Cridlin will personally deliver the Griddle to the winner if you are on your bike or cannot take it home from The Blast. Good luck everyone!

I will have raffle tickets with me at our gathering and events leading up to the raffle at the Blast. Tickets are \$2.00 each.

Congrats to us! John and I were able to acquire Smokey at Chapter A's June gathering. We took him on our dinner ride and he enjoyed himself. Congrats to Chapter A for acquiring Smokey at Chapter C's June gathering. Smokey will be at our July gathering for Chapter COYs to acquire.

RIDE COORDINATOR'S REPORT

Hi all "G" members and Friends of "G". June is coming to an end and we have had a busy and successful month of events. But it's not ending. July calendar is packed with events and our other KY chapters have rides and events that you can always join in with a message to the other Ride coordinators. June has had a number of Wednesday ice cream rides and a few were questionable with threatening weather. The rides are still continuing meeting at 6:45 with departure at 7pm.

June started with Chapter A hosting the Ride-In at Bardstown KY. Those of us that got to attend had a wonderful time chatting and riding with other KY members from around the state. We had members camping and staying at the host hotel which was nice and accommodating. A few of us were a little loud and times and lost track of time with a few 1am bed times. We had a successful ride to Hall's on the River which we had not been to for a few years. Like many places they would not take a reservation and we ended up with about a 45 min wait. It was a busy Saturday night and only able to do about 50% capacity.

We got a group together to attend Chapter C meeting with fine food and fellowship as always. After the meeting we went to the Bluegrass Aviation museum at the Bluegrass Airport. We spent a few hours there and hit some back roads passing thru Woodford Reserve Distillery and made our way on to Midway KY. We had dinner at the Brown Barrel and Blind Harry. The food was good and we had a great waitress. We continued home on back roads enjoying some great riding weather. Hopefully all the fathers were treated like the kings we are in a kingdom ran by the queen. One of our fathers in G was blessed and someone read the advice on the website and gave the father of her children a new 2022 Goldwing DCT with a Road Smith trike conversion. There was a fair amount of drooling and whimpering going on by some of the rest of us.

Summer has started and we move into another busy month. Ice cream rides continue. 4th of July celebrations starting soon. If all goes well we will be doing a dinner ride to DeSha's in Maysville KY.

We have a camping trip scheduled 15th, 16th & 17th to Jenny Wiley State Park with a Chapter visit to Chapter "T". A chance to look for a great site for next year's Ride-In.

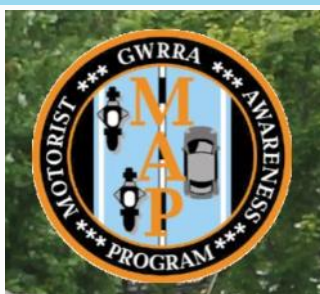

On the 23rd we will be taking a day trip to the National Museum of the US Air Force in Dayton OH. Followed by a dinner trip to the Mongolian Grill in Beavercreek, OH.

Just a reminder if you don't get signed up for a event at the meeting but want to attend be sure to call Chuck and get your name on the signup sheet. This is very important when trying to get into someplace.

We had a great time at the Ride-in this year. One of the rides was to the Kentucky Railroad Museum. As part of the admission price, you got to ride on a train ride. The conductor punched our tickets, like they did in the olden days. As he did, he shared this information about the ticket punch. Each conductor was given a ticket puncher that had a unique shape. He asked if we knew why that was, of course we didn't know. There are 2 reasons behind each conductor having their unique ticket puncher shape. 1) If you had issues with a conductor and wanted to report him to the office, they would ask to see your ticket. Upon seeing the shape punched on the ticket, they knew how the conductor was and could talk to them. 2) As he was punching tickets, if a passenger said his ticket had been punched already, the conductor could ask to see the ticket. If the punch wasn't his, you had to pay the fare. Our conductor had a star punch as seen on my ticket below.
