Chapter G Dinner Ride

Our February dinner ride was held at the Heil's clubhouse with a potluck of soups, desserts and game night. Thank you Gary and Darlene for hosting a fun night!

SPONSOR'S BLOCK

It's hard to believe that we joined this wonderful group of people 4 years ago. When we joined, we had 2 wheels and I was not riding. Shortly after joining, our 2 wheels became 3 wheels and I was back to being a co-rider. Best decision we ever made.

We have enjoyed some great rides with Chapter G. We have participated in Wing Ding, Spring Fling, Ride-in, dinner rides, camping trips, special events and Chapter visits.

Another thing that happens is you start collecting 'toys'. When we started we had no camper, so we got a Kwik Kamp II to join in the camping events. Then of course a toy hauler, that we use for camping and hauling the trike. But for those trips that aren't camping, but are overnight, we found out you need a tow behind trailer for your luggage. I must say you can accumulate a lot of 'toys' being part of GWRRA.

We have met so many new people through this organization and everyone is super friendly. It's like on big family. So glad we joined!

BIKER'S PRAYER

May the sun rise in front of me
 May the rain fall behind me
 And the wind follow me
 May the angels guard my travels
 For they know the road ahead of me
 Keep me safe through swirling turns and rolling hills
 Let the eagle guide me to the mountaintops
 Let the moons light guide me through the night
 Lord, thank you for letting me be a biker

Chapter Director's Report

Chapter G Members, it's March! We have almost made it through the dreaded winter months. As I look out my kitchen window this week, a flock of robins flew into the yard. That HAS to be a true sign of spring! The bike is in the shop getting a checkup before the trip to Texas, so things are looking up. We are both excited about this riding season due to all the fun things we have planned as a Chapter and the opportunity for us to do more things on our own.

February was a good month and those who missed the dinner ride at Gary and Darlene's playhouse was a lot of fun. We learned a couple of new games had a bunch of good food and laughed ourselves silly.

March is the G's birthday and we will celebrate all month. Our meeting and birthday party will be March 1, 2022 with socializing at 6:60 and gathering at 7:00. Then Friday a visit to Chapter H in Shelbyville. Our dinner ride will start with bowling at 3:00 pm, then dinner at Harmons BBQ at 5:00 pm. On March 16th, a group will be heading down to Texas for 10 days. We will be stopping to see Tom and Charlotte Hall to say HOWDY from Chapter G. Should have tales to tell when they return. Or, is it "what happens in Texas, stays in Texas" hmm...

Since it is close to riding season beginning, make sure you begin to look at the bikes that have sat in storage. Think about maybe putting a shine on it during a warm day. Can't wait for the ice cream rides to start in April. Maybe we'll make a few this year!

Special Events

March means Spring is on its way. Which means it is time for activities to pick up within the G. Some of us are making plans to go to Spring Fling, we hope you will join us. If you have any questions, please let us know.

If you have an idea of a fun event you think the chapter would enjoy, please contact me. I am always ready to plan the next fun event.

As you know all events are special whenever you attend!

Membership Report

Hello Chapter G Friends,

GWRRRA and Chapter G's core principle is having Fun. Check out our Kentucky District's newsletter to see the monthly publication called "Here's The Scoop." The articles are from GWRRRA members who share their ideas on having fun whether it is traveling or games that they have played within their chapter or district. We might find something we can do in the future.

We always feel spring is on its way once we get through the month of February. We are inching closer and closer. Let's have fun with all of the planned events, long weekends, meetings, and ice cream rides in 2022. Let's show fellow bikers how much fun Chapter G has.

Also, please check your membership cards for expiration dates to ensure that your membership is current. Please contact us if any of your contact information has changed—we don't want you to miss anything. If you have any questions or need assistance, please don't hesitate to contact us.

Treasurer's Report

Hi Chapter G,

Congratulations to our winners from the February Get Together!! Randy Pommier won the \$10 membership draw this month. Carol Redd won 1st place of \$30, Peggy Thornton won 2nd place of \$18 and Jerry Williams won 3rd place of \$12.

Thank you to all who participated at the February Gathering.

I want to thank Dean Hedger for doing a great job selling tickets at our February Gathering!! If it wasn't for Dean selling our tickets and our wonderful members purchasing our 50/30/20 tickets, we wouldn't have the opportunity to do the fun events that we do each year.

Rider Education

On **Sunday, March 20, 2022**, at 11:33 a.m. EDT for those of us in the Northern Hemisphere, we celebrate the arrival of the Vernal (Spring) Equinox. This means riding season begins! Please be sure to verify your machine is ready, and any maintenance work or other nagging concern has been rectified before you hit the road. Also, be sure to check your riding gear, and plan to make those replacement purchases at the next rally to support the vendors and the organization. But most important of all, be sure to verify your personal condition. Time waits for no one, and Winter has been long and cold. As motorcycling is a physical activity, perhaps now is a suitable time to visit your doctor and get an annual check-up.

Normally, I would also recommend each Member check their Levels status to help them plan to take advantage of Rider Ed courses available at various rallies. Currently the Rider Education Database is still undergoing updates and is inaccessible. As a reminder, Members in the Levels Program participate in an Advanced Rider or Trike Rider Course every three years to advance and maintain levels. The requirement is a full course (classroom and range) alternated with a range-only course every three years.

The alternating requirement had been waived in 2020 and 2021. The waiver (Levels Grace Period) made it possible for more Members to experience time in the saddle to practice and improve their on-bike skills. Since many Members had stopped riding for an extended period due to public health restrictions, it was important to offer this compromise. The grace period was created for GWRRA Members participating in the Levels Program. Due to the restrictions caused by the health crisis, most Members were not able to renew their requirements to earn or maintain their Levels. Members who became non-current in their Levels on or after January 1, 2020, would not have their Levels adversely affected by the months of inactivity from that date forward. There were several extension periods approved when it became evident local restrictions and guidelines across the Association continued to make it difficult to register students and conduct classes. The last and final extension of the grace period for Members who became non-current in the Levels program on or after January 1, 2020, ends June 30th, 2022. If the Member does not complete the required course before June 30th, 2022, the time of inactivity (from the date of expiration until a completed course is realized) will be relevant and will delay advancement in the Levels Program accordingly.

Please feel free to contact me with any questions or a case-by-case evaluation.

Ride Coordinator's Report

Hello fellow Goldwing riders and co-riders. Hope you are enjoying all 4 seasons in one week. Snow and ice (Winter), followed by warm temperatures and rain (Spring), warmer temperatures (Summer) and beautiful sunsets (Fall). But soon we will be able to get out there and ride. And we have plenty of rides planned for your enjoyment.

February's dinner ride was a Chili/Soup/Dessert and Games Potluck Dinner. Thank you to Gary and Darlene Heil for use of their neighborhood clubhouse. We had 5 different soups and chili and numerous desserts. Everything was delicious and thank you to all who cooked and baked and contributed to this event. Everyone brought their favorite game and most of us played. The main event was The Battle of the Sexes and the women won. There were a couple of controversial calls (on both sides) but we are all still married and friends. This I think will be an annual event as it is a lot of fun and usually falls on or near Valentines Day which makes it impossible to get into many restaurants. Please consider joining us next year.

With Spring around the corner, we have planned many adventures. Please check on the website all the riding events we have going. In March, we have a dinner ride planned on March 12. We will be going bowling at Strike and Spare (the old Superbowl) and on to dinner at Harmon's Barbeque. You can come and bowl or just go to dinner or do both. It will be a good time. Then some of our members are taking a trip to Texas. There is a Girls' Weekend scheduled for March 19th with a Chapter visit squeezed in between the fun. At the end of the month on March 26th there is a class on how the GWRRA works called GWRRA 101. I'm sure there will be sign up sheets at the gathering on March 1st. And Ice Cream rides start the first Wednesday in April!!! Woohoo!!

Looking down the road but fast approaching is Spring Fling in Pigeon Forge. Please get your reservations in as soon as possible. Information is on the website and we will be happy to talk to you about it at the meeting. In May, there is a trip planned to Athens Ohio to ride the Windy 9. In October we have planned a trip to the Amish Country in Millersburg/Berlin, Ohio. We have reserved rooms but October is their busiest times so sign up and get your reservations made as soon as possible please. We promise this to be a fun weekend with rides and shopping and amazing food.

Thank you for participating in the events we plan. We look forward to riding with you all soon.

Pins and Patches

Hello all. I hope this finds you well and looking forward to riding season. Many of you have vests or are thinking about getting a vest and you will certainly need pins and patches to put on your new vests. At the next meeting I will have boards with all the patches and pins I currently have in stock. If I do not have the patch or pin you are looking for, I will attempt to order it and have it for you at the next gathering.

We also have a new person that we get our shirts from, and I hope to have brochures or at least pictures of the shirts we have available. So, think about upgrading your motorcycle wardrobe with these new selections. You want to look sharp while riding and attending our and other chapter gatherings.

Looking forward to seeing all of you at our next gathering.
