GWRRA

"FRIENDS FOR FUN, SAFETY, AND KNOWLEDGE"

DECEMBER 2022

Events

Our dinner ride for November was held at El Nopal Mexican restaurant. We were a small group, but we had a great time.

We held our 2023 planning meeting and so many ideas were discussed. Looks like 2023 will be a busy time for Chapter G. Stay tune to see what events & rides are coming!

Bad Santa

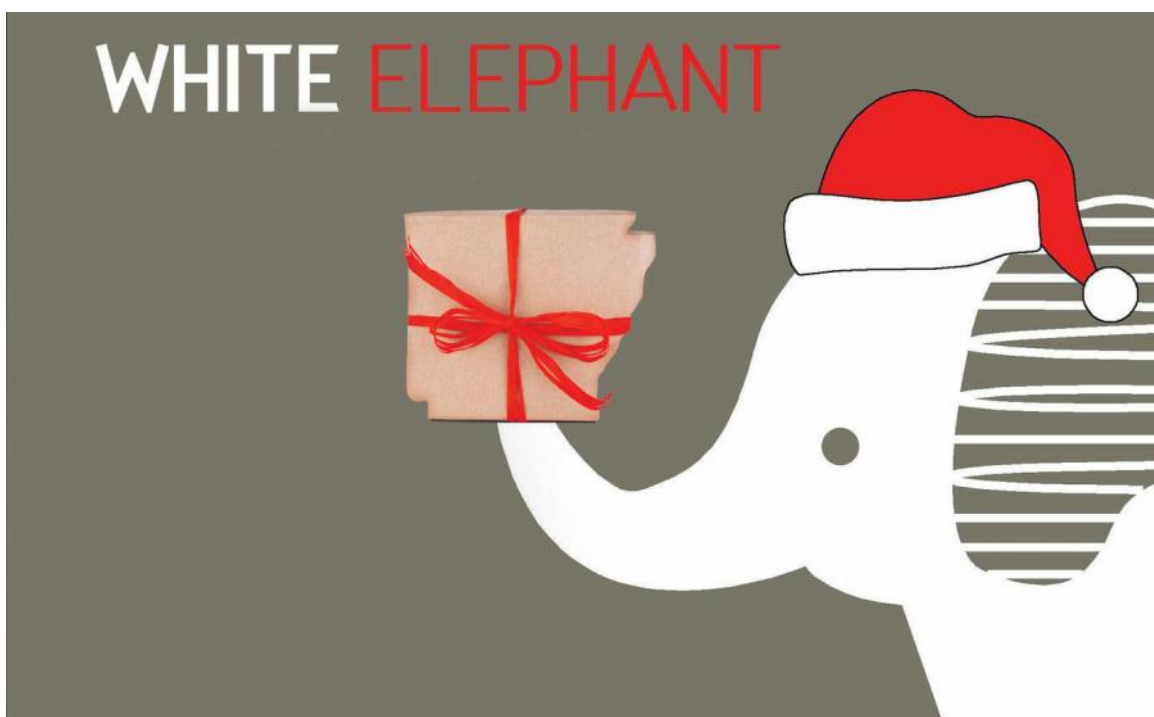

NO DOOR PRIZES

Join us for our December 6th Gathering. It will be FUN and GAMES night with

Bad Santa Bingo!

The Legion will be serving dinner, but you are welcomed to bring something sweet! Don't worry if you can't, some sweets will be provided.

Each person attending is asked to please bring 3-5 white elephant gifts, wrapped in anything (paper bag, old wrapping paper, newspaper, etc.) The key is to not purchase anything. Just make it fun. It will be a good time and we hope to see everyone there.

Sponsors

As the old saying goes, time flies when you are having fun! Windy and I try to always sponsor the December newsletter as this is a very special month for us.

You see, Windy and I are high school sweethearts. Really@@ I married him while I was a junior in high school and went to his prom and then to my own. What fun we had had as I love to “rock and roll” with him on the dance floor. But things change as you age. With his back problems and my knees problems, we cannot enjoy dancing as we did in the past, but have wonderful memories.

I know I always wanted to grow old with him and when he got his Medicare card, I said “Yes, I’ve done it”. Now I just want to grow older with him and I believe I have as he just had his 80th birthday this past August. This month we will have celebrated 62 years of marriage. Not all have been rosy. I tell those who ask me, “How in the world have you made it that long being married to Windy”? I tell them, “When the waters get rough and they will, you don’t jump ship. And a couple that prays together, stays together.” This has worked for us.

You see, Windy’s mission in life is to make folks laugh and I believe he has done just that. We have traveled all over the United States and Canada on our two-wheeled Goldwing (we now have a trike). Windy always enjoyed traveling with many of the “G” fellows out west. He was going, so I retired, he wanted to take me out west to see what he has seen and he did!

My first long ride with Windy was to Prince Edward Island in Nova Scotia along with Asa Rouse. Only we always called him “Buddy” until we joined our G family. He is still our Buddy outside of the meetings!

Our most amazing trip of all was in 2003 when Buddy, Rick Otto, and Windy rode from KY to Alaska. Buddy’s cousin, Caroline Kinman and I were still working. We flew into Juneau and continued our plans going to Ketchikan and then riding the inside passage up to Haines where the fellows met us. They had to stay in Skagway for three days at the Red Onion Saloon, which is a brothel in the old days, because we had so much fun making our plans. No one knew how long it would take them to reach Alaska. We rode for 17 days and over 3,000 miles seeing the most beautiful Alaskan scenery. Windy and I want to return some day.

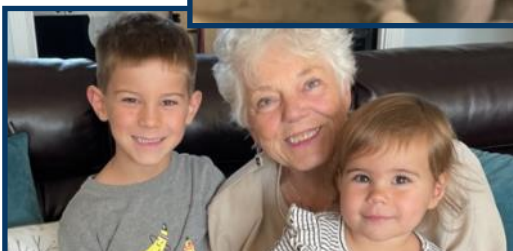

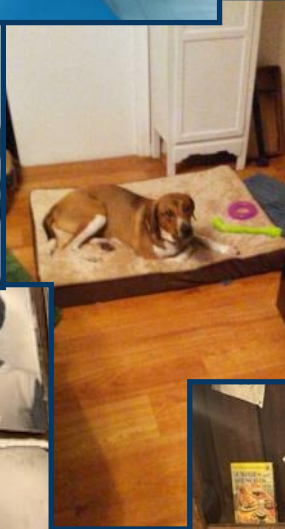

We only wish that we lived closer to our G friends so we could partake in all of the wonderful activities planned. We now have been blessed with our dog name “Buddy” who will be three this month and have a larger tag-along camper to accommodate our needs.

We are so thankful that when GWRRA is no longer, we will still be together only under another name. We look forward to our Chapter meetings. It is worth our drive from Frankfort to those meetings so we can be with our extended family in Northern Kentucky.

We wish each of you a Happy Thanksgiving and a very Merry Christmas. May 2023 bring you many blessing to each of you. We will see you in April.

God Bless, Joyce & Windy Quire

The Bucket List

Don't take life too seriously. Nobody ever gets out alive. It's a fact of life and as we age it becomes all too realistic. People create their bucket lists to facilitate the completion of things they've always wanted to do. Sometimes it's an exercise in futility, but occasionally we get to mark something off the list.

Mr. Ronnie Harper recently celebrated a landmark birthday. For a man who began working at a very young age, and has seen a few birthdays in his lifetime, you would think that he would have about done it all. In high school he was a gas station attendant and worked as a pin-setter in the local bowling alley. After high school, he worked at Cincinnati Testing laboratory and also in construction and the uniform industry before he finally found his true calling at the Greater Cincinnati International Airport. He spent 32 years with TWA, doing everything from freight and ramp service to customer service team leadership. Oh...and he was a union rep too! As a "red coat" for TWA he met many famous people: actors, actresses, athletes, and politicians. He once held a plane for a Governor and got in real trouble with the boss, but the Governor appreciated it so much he made him a Kentucky Colonel! Ray Charles once told him it was a pleasure to see him! He was so good at customer service, that in 1976 he was presented the TWA Award of Excellence in Vienna, Austria.

When TWA closed in 2001 he wasn't sure where he was headed. He had always wanted to be a tour bus driver, so he did a little stint with TANK, but his years at the airport had given him lots of connections, and it wasn't long before he was back there working for the FFA... a job that morphed into TSA when they began operation at CVG. He retired from TSA as a logistics manager in 2012 at the ripe young age of 70. He fully enjoyed his airport career and loved the work that he did, but he was left in retirement with a few items still on his list.

Ron joined GWRRA under the advisement of his dear friend Homer Taylor, and he will tell you, it was one of the best things he ever did. The fun he has had and the multitude of friends he has made have brought so much joy to his life. His six western trips with the guys and the many camping trips and rides with the Chapter have given him adventures he otherwise wouldn't have had. He served us as the awards coordinator from 2006 to 2014 and was our 2015 IOY

In the Spotlight

The Bucket List (cont.)

Now, back to that bucket list. Ron is a wonderful cook and has long had the desire to cook on the grill at Waffle House. This year on his birthday he was given a rather unique gift... A job at Waffle House...at least for a day. The friendly staff at Walton Waffle House welcomed him with open arms, and an awesome shirt and hat too! Ron was coached on preparation of hash browns and waffle mix and eventually got to grill hash browns and serve coffee to 17 friends and family who showed up to witness the event. He couldn't have worn a bigger smile! Congratulations to Ron for marking another one off the list!

Chapter Directors

We are writing our last newsletter article as Chapter Directors. It is a bittersweet moment as we did not get everything accomplished that we were working on. We want to thank everyone who supported us over the last two years and hope you will continue to support the Chapter and Donita as she takes over. There will be some tough times ahead as we are heading into the Wing'd Rider organization. Please keep in mind that this is YOUR chapter and that you need to be involved in changing things to make this a better chapter for everyone. The chapter needs to evolve into a chapter that can serve all member's needs. Be creative in supporting both riders and retired riders. We have heard stories of chapters including retired riders by having them develop their own social events that can occur during the week when they are more apt to have free time.

We want to thank all of the people who have supported us in the last two years and know we appreciate all the work and participation from everyone to make this a Chapter to feel good about belonging. We have come to know many individuals on more than a member level. We are proud to call many of you friends.

We are not going away and will continue to do whatever we can. Thank you again for your support.

Special Events

Another year has flown by with Chapter G. Which event was your favorite? They have all been my favorite, because they all include all of you!

Chapter G is full of special and unique friends. At every event we get to learn more about each other. If you don't consider someone a friend yet, I encourage you to expand your horizons and sit with someone you haven't hung out with yet at the next dinner, or event. You are sitting next to a friend you haven't made yet.

What is in store for 2023? That remains to be seen. Several ideas were presented at the planning meeting. Keep your calendars open so you can select the events that you like the most.

As Chapter G moves forward and in somewhat a new direction, some things won't change. Events will still be planned, we will still have fun, we will laugh, travel to new places, wait too long to put on our rain suits, make a few U-turns and this time next year we will have even more fun stories to share from the memories we make. Are you ready?

Remember special events are special because of you. Keep being you!

'Tis the Season

Well, this year is coming to an end, and it has been another tough one for Chapter G. We finally get through COVID and back to "normal" gatherings, riding, and events, only to get hit with GWRRA closing their doors. This announcement was met with mixed emotions. Some folks said, "Oh well..." and others said, "Oh my!". No matter what your reaction, this announcement destroyed one of the long-time pleasures of being a GWRRA member: the regular members never had to be involved in the "business" side of the organization. For years, members could come to gatherings and events and never think about anything but having fun. Now everyone is all too aware of that other side and just as a child grows up, we have all lost that innocence, and will never get it back.

We have all been given surveys, questionnaires, and very deep explanations about every facet of the organization that closed and the options we now have to replace it. I don't know about you, but that sure takes away the fun for me. But before you get too tied down with all the financial legal-Eze and business mumbo-jumbo, let me offer you a holiday gift; a new way to view these changes and maybe return some of the FUN that we have lost from this situation.

I told you all before that it doesn't really matter what name is on the door. Chapter G can continue to have fun just like we always have before. Allow me to give you another way to view this situation. Have you ever seen a NASCAR race, with all the sporty cars and cool driver suits. Did you ever notice all the company names and logos on those cool cars and suits? Of course, you did! Those sponsors represent the many contracts, legal agreements, and multitudes of money that make those races happen. Now, ask yourself this, did any of those labels or logos ever distract you from enjoying the race? Probably not.

'Tis the season of giving, so give yourself the pleasure of returning the joy and fun to our own little Chapter G family. We have a whole new year ahead of us. Chuck and Judy completed a very successful planning meeting, and we have lots of great and wonderful ideas of how to make this year great. Let's bring back the FUN! Isn't that what makes life worth living?

I hope you and your family have a wonderful Holiday Season. Remember...Christmas can be found in the way that you live. Not what you get and not what you give.

Donita Nardi
Chapter Assistant Director

Hello G Friends,

Here it is Christmas time when you celebrate with your family and friends this wonderful holiday!! There are so many events that are around our area that you can attend—enjoy this special time of the year. The trikes/motorcycles are usually stored away for the winter, but once in a while we may have a few days to enjoy some warm days to take a short ride - even in December.

We always enjoy the Hallmark Christmas movies along with other movies such as Christmas Vacation and Elf. After the holidays are over, it will be 2023 and we will be looking forward to attending our Chapter G events and our riding season.

Please contact us if any of your contact information has changed—we don't want you to miss anything. Also, if we are missing your birthday or wedding anniversary, please let us know so you can be recognized. If you have any questions or need assistance, please don't hesitate to contact us.

Hi Chapter G,

Congratulations to our winners from the November Get Together!! Chris Davis won the \$10 "In Attendance Draw" this month. Leah Cridlin won 1st place of \$44, Donita Nardi won 2nd place of \$26 and Robbie Feldkamp won 3rd place of \$18.

Thank you to all who participated at the November Gathering.

We want to thank Dean for doing a great job selling tickets at our November Gathering!! If it wasn't for Dean selling our tickets and our wonderful members and guests purchasing our 50/30/20 tickets, we wouldn't have the opportunity to do the fun events that we do each year.

Riders Education

Happy Holidays everyone. Riding season has ended and many of us have put our motorcycles away until next year. We are now busily focused on our holiday party planning and gift giving. For those of you who find it difficult to plan effectively or find that perfect gift, you are in luck. I have some timely suggestions to hopefully make your life better.

First, regarding your motorcycle, be sure to check the list that the factory made for you in the owner's manual. Being that it is a machine, your motorcycle has parts that wear out and need to be replaced. Buying the right parts and replacing them on time will keep you, your co-rider, and your bike very happy and your relationship drama-free. Maybe you should even give your machine an early present and start placing fuel stabilizer in the tank now with every fill-up. This way you are sure the stabilizer will be everywhere it needs to be if your season is suddenly cut short and the bike needs to sit for longer than expected. If you are a DIY mechanic, perhaps there is a new tool that will help you perform a maintenance task better or more easily.

Second, regarding you the rider, be sure to check the list your factory gave you when you were built. OK, you are correct, no child of which I am aware comes with an owner's manual. Being the new grandparent that I am, I checked with the parents of each of my grandchildren, and they confirmed their newborns did not come with a manual. All our technological improvements, and still no manuals for newborn children? Hmmm. But as adults we often get a "list" after each doctor visit. I know my report sometimes reads like a maintenance checklist. For all you DIY riders (and as I am not aware of any motorcycle currently produced with Autonomous Driving Technology, we are all "do it yourself" riders) there may be some suggestions on your "lists" for things you should have that will keep you riding safely.

And third, regarding your interaction on the road with others, check your Riders Education database history. In essence, it is your DIY rider's toolbox. Here you will find listed all the tools you have collected and the ones that need to be resharpened. Being an educated rider is your gift to others. It allows you to be more aware and more prepared for when you interact with other road users, even to the extent that you can prevent any drama from occurring. This is because you recognized in the moment the potential for disaster and took the necessary actions to avoid it, all due to the tools you learned through your training.

As we all navigate through this Holiday season, I want to wish everyone good cheer, and look forward to continuing our relationship in the New Year. I am making my lists to be sure to include my gifts to you. I am hoping you will do the same for me.

Awards

The end of this year is closing in on us and it also marks the end of the mileage contest for 2022. Whenever you stop riding for the year, please record your odometer reading and send it to me. If you participated in the contest last year, I have your beginning reading. If I do not have your beginning odometer reading you can furnish it along with the ending reading. If you ride multiple motorcycles furnish the ending reading and beginning reading, if necessary, for each and advise for which bike it belongs. To participate in the SWAG (Scientific Wild A** Guess) Award, include your and your co-rider (s) guess as to how many combined miles all the participants in the Mileage Contest rode during the year. The deadline to submit data is 11:59 P.M., Sunday, January 8, 2023. You may email the information to me at awards@chapterg.org or give it to me at a meeting.

Couple of the Year

It's hard to believe that it's been a year since we were selected as Chapter G's Couple of the Year. We were totally surprised at being selected, but it has been an awesome experience. We had no idea how being selected would affect our lives in 2022.

We would like to thank everyone for the support they have given us. John and I have enjoyed our time as Chapter G's COY.

One of the COY's goal is to try and win the COY mascot from other COY couples by visiting the other Chapters gathering/meetings that currently have the mascot. In doing this, we met some great people that we probably wouldn't have met if we didn't want that mascot so bad. Regardless, we highly recommend going to other Chapter gatherings/meetings, if for no other reason than to meet the awesome people in other Kentucky Chapters.

Although we were not selected for the District COY, we did have a great time at the Blast and participating in the selection process. Again, congrats to Karen and Kent Risen for being selected. We may not have been selected as the District COY, but we did win the honor of adopting the COY mascot, Smokey. He now resides in our home as a reminder of our time as the 2022 COY.

You will be reading this and should have had a Happy Thanksgiving with your Family and Friends. We had a house full and celebrated. Thanks for those there and those who could not make it. We had the Chapter Dinner this month at El Nopal in Florence. We had 11 members with a couple guest.

The Chapter had a planning evening at the Library where we had 17 members show up to give suggestions for dinner rides, events and destination rides for the coming 2023 year. We had some new locations suggested and we talked a little about doing more day rides and destinations. There was some talk about getting the Impromptu ride notification site working before spring. I have a list of names that signed up before and you will get an invite to the app we are going to use. Right now we have a couple we are looking at and trying to see which one we like best. The last few weeks have been chilly and only the hard core have still been riding.

November's last events will be the Sunday Brunch at LaComedia, their show is "White Christmas" on the 27th which will have happened. The other ending event will be the Coordinators meet on the 29th.

December events will be kicking off with the Chapter Christmas Party December 3, 2022 at Kellie's Homestead Farmhouse in Dry Ridge. Festivities start at 3:00 pm, where we be doing our traditional gift exchange (\$20-25 gift men bring man gift, ladies bring a lady gift). Followed by Dinner at 6pm and an Elvis Tribute show and Band at 7PM. The show is included for chapter members and will also be open to the public. Remember there will a collection of unwrapped toys for the Steinfeld Foundation. The month continues with our social gathering on the 6th. December 10th will be the visit to Festival of Lights at the Cincinnati Zoo. Hope you bought your tickets from Leah or you can buy online without the discount.

We want to Wish everyone a very Merry Christmas and a Happy New Year.

Hopefully you signed up and are joining the group on New Year's morning at Cracker Barrel in Dry Ridge. Make sure you get on the list so they can be prepared for us. This is the First event of the New Adventure as the GWRRA affiliation has officially ended. I know our members have a lot of great memories with the chapter and GWRRA. We hope you look forward to continuing those friendships and memories with the new organization.

Thank you everyone for helping and participating in another great year of events as we say goodbye to 2022.
