Kentucky Road Riders Chapter G April 2023

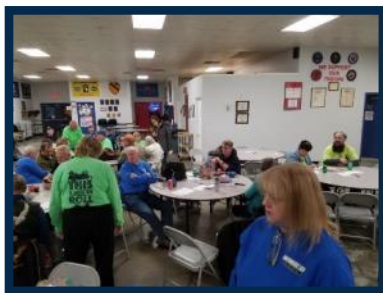

"FRIENDS FOR FUN, SAFETY, AND KNOWLEDGE"

NEXT GET-TOGETHER: Tuesday 4/4/23 —American Legion, Post 4, 8355 US-42, Florence, KY 41042. Eat at 6pm. Meeting at 7pm

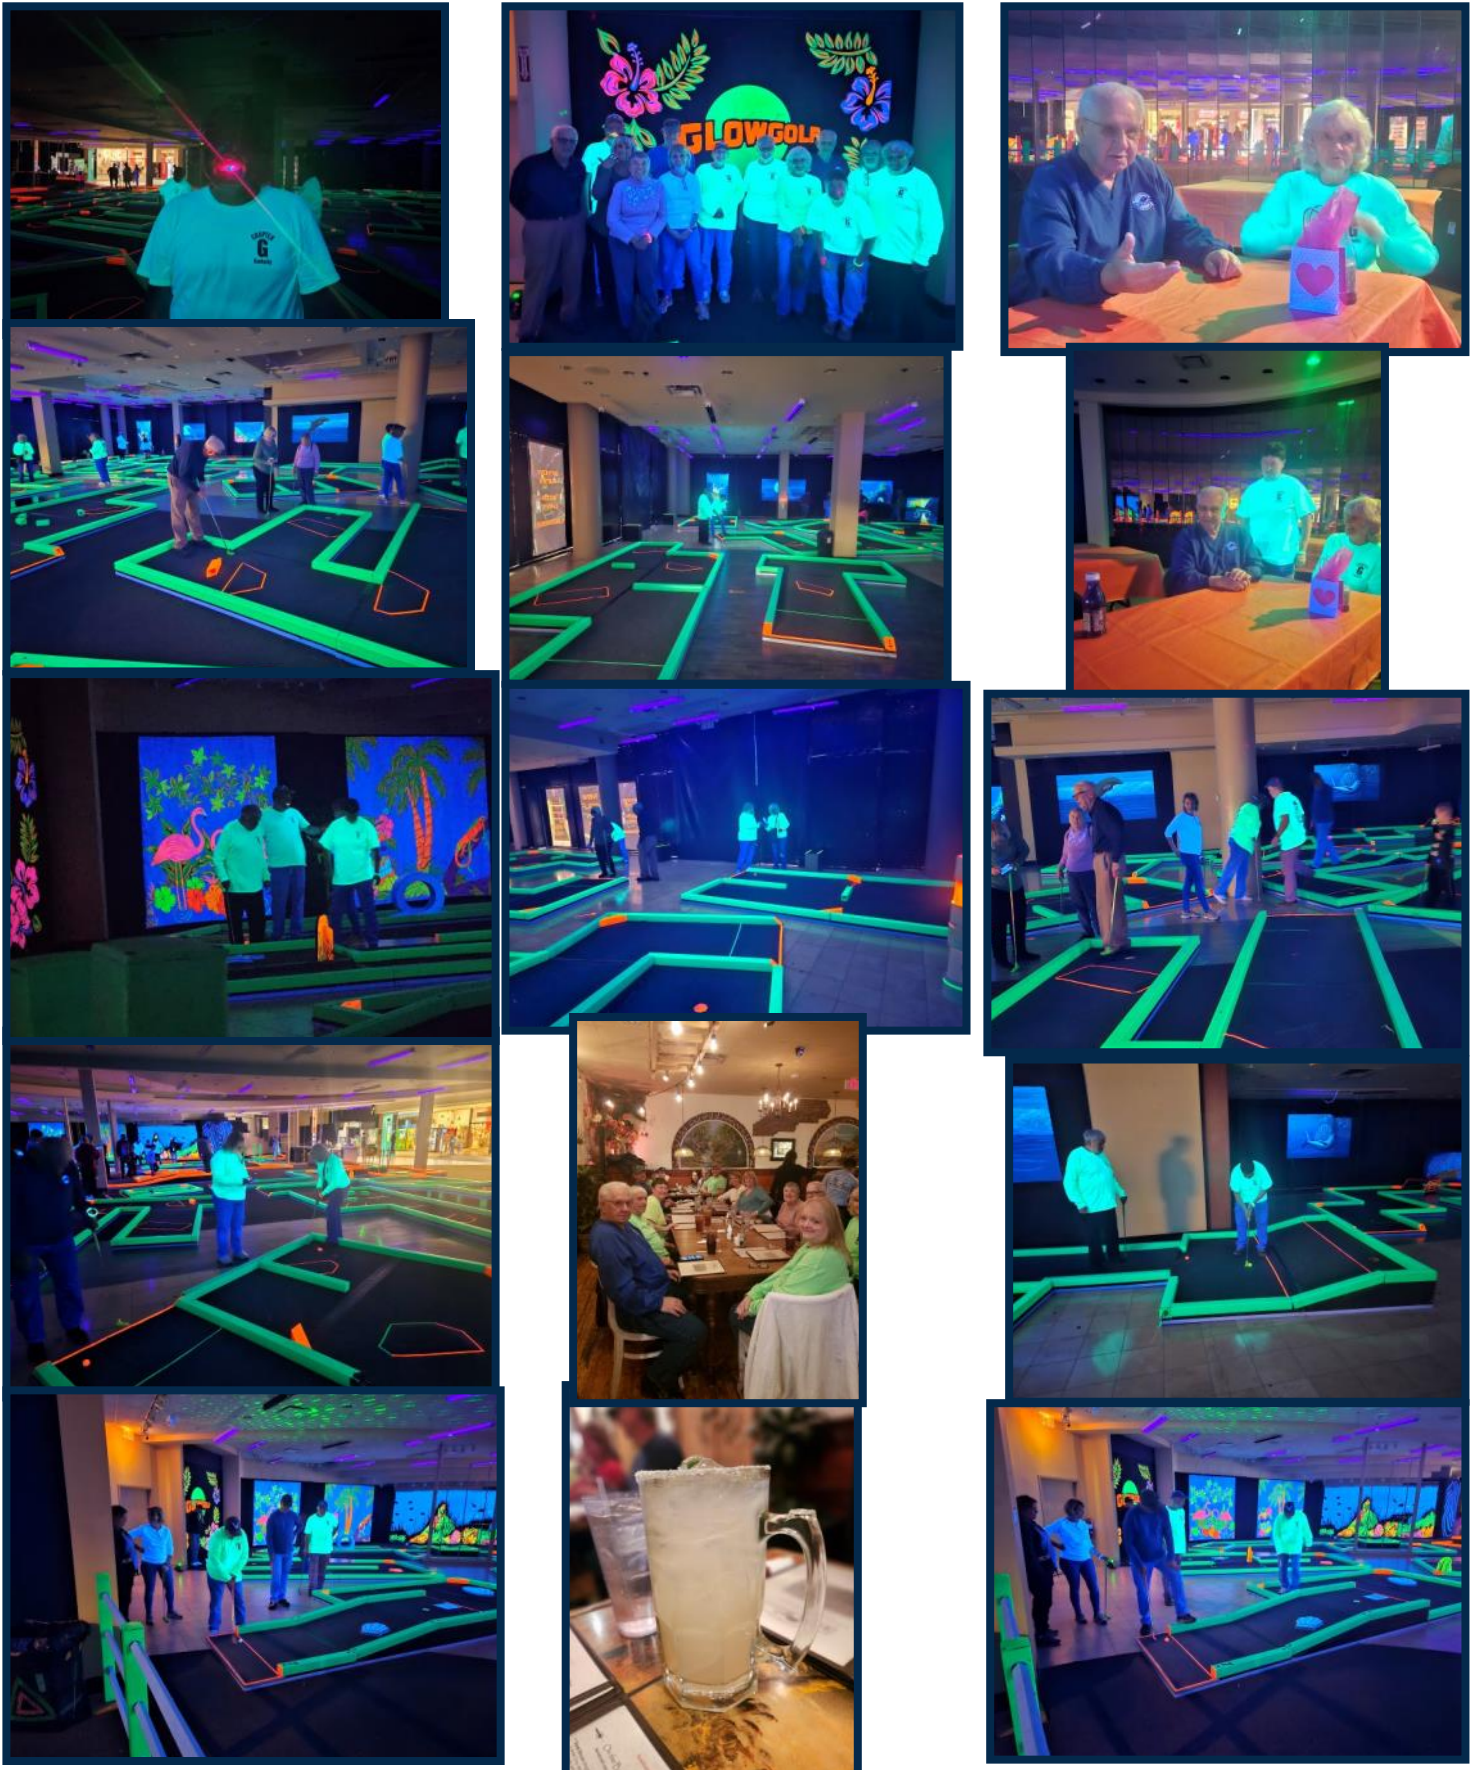

Happy 36th Birthday to the G! We celebrated our Birthday with a cake, balloons and friendships at our March gathering.

Our Couple of the Year, Kim and Randy Pommier and our Individual of the Year, Jeff Hinkle were presented with the medallions at our March gathering.

Chapter G's dinner ride for March found us playing Glow Golf! It sure was fun and several members even made a few hole-in-ones. The course looked easy, but we soon found out it was a little challenging. After Glow Golf we had a wonderful dinner at Rincon Mexicano Restaurant and Cantina.

KNETUCKY OPS MEETING

The Kentucky State Team held their annual OPS meeting in Burlington, KY. Thanks for a great day of break-out sessions, meetings and team activities. The Couples and Individuals of the Year were recognized and their mascots were presented. The evening ended with a Murder Mystery Dinner. Thanks to Donita Nardi and Ron Harper for a fun event! Chapter G had 19 members participate. There was also participation from Chapters, A, C, K, S, T & Y.

CHAPTER DIRECTOR

Hello Chapter G. It's officially SPRING! We've been waiting for a while. Ice Cream rides will begin Wednesday April 5th, departing Heritage Bank in Union (8751 U.S. Hwy 42, Union, KY 41091) at 7pm sharp. This event will continue every Wednesday until October. It's a great way to get out and enjoy a relaxing ride through the countryside with friends. For those Wednesdays that are not suitable for riding, you can also still go to Bingo at Longnecks.

Some of us have been having a lot of fun visiting other Chapters around the State in the "off-season". We just returned from our most recent visit down to Chapter T in Paintsville where we attempted to bring home the traveling plaque. Although we didn't return with the plaque, we did have a great time with Chapter T and the other two Chapters who attended. Our next visit will be to Chapter Y Mayfield on April 6th. This will be an overnight with a side trip to Lambert's "Throwed Rolls" Restaurant on 4/7 before returning home." If you are interested in attending, please let me know. Chapter A will meet in Louisville on 4/8, and Chapter C, who now has the traveling plaque, will meet in Lexington on 4/15. Please watch the weekly update, "This week with the G", for times and locations. Visiting Chapters is another great way to ride, make friends, and have fun.

For those who are interested, Chapter K (Henderson) will be having a Road Captains course on Friday April 7th. If you are interested in attending, please let me know. We are discussing having a Road Captain or Group Riding Course somewhere local, but those arrangements have not yet been made.

Our annual Tech Day will be April 22nd at Ron Harper and Charlie Thorntons' place, 120 North Main Street, Walton, KY. We will begin at 10am and go until we're done. This is the perfect time to do those little things to your bike that need to be done before riding season swings into full gear. Last year there were over 40 people who attended and it was a fabulous day. We will

have a potluck lunch and plenty of smiling faces. I hope you will plan to attend.

Our new ride coordinators, Steve and Leslie, along with some help from Judy, Randy, and Kim, have been hard at work preparing a year of great riding for us. You may not even believe what they have planned. They are enthusiastic and wonderful, and we are so lucky to have them.

May 20th is the day of our GO! EXPO at the Indian Dealership in Richwood (10855 Dixie Hwy, Walton, KY 41094). This will be our annual Motorist Awareness Event and this year we will also try to do some recruiting for our own Chapter G. I cannot make this happen alone, so I'm asking for your participation in making this a purposeful, but fun day for everyone. We will be showcasing all the way the Chapter G GO's. We will need several canopies, and some volunteers who are willing to talk to people about all the fun we have a Chapter G. I am also looking for at least one camper of each style to show how they GO! If you have pictures of motorcycle trips that you have taken and would be willing to flash a slideshow while telling others about your exploits, we would love to see you participate. We will also have a Motorist Awareness Tent with "Watch Out For Motorcycle" goodies, and while we're talking about goodies, I have been in discussions with Bailey Jaynes about bringing their Funnel Cake Truck along for the ride. The EXPO will be a mere 4 hours from 10 -2, but will go a long way in promoting Chapter G in our community. I do hope that you will plan to attend. Please let me know if there are any "props" that you would be willing to share for the show.

Let's make it a great month! Ride SAFE and HAVE FUN!!

Donita Nardi
Chapter Director

Does your motorcycle sit in the garage a little too much? We are Kentucky Road Rider Chapter G, and we LOVE TO GO!! If you're ready to get out and have some fun with your motorcycle, come out to our Expo and see how it's done.

SPRING IS OFFICALLY HERE! Can you believe it! I'm so grateful for the mild winter we had this year and looking forward to warmer weather.

John and I, mainly me, would like to thank everyone for their prayers. He has had his 1st knee replacement and is now enjoying Physical Therapy...lol. Looking to have his 2nd knee replacement done shortly. I may be completely gray before he returns to work.

We are also looking forward to getting on our trike and riding. But we really don't know when that will happen. Hopefully, by June or July, if all goes well. Surely we'll be riding by the Blast in August.

Chapter G continued to gather at various Longnecks on Wednesday night in March for Bingo, and we continued to win, occasionally. Many will now participate in the Ice Cream Rides on Wednesdays beginning in April, but Bingo will continue for those who wish to participate or if the Ice Cream Ride gets rained out.

As we watch the new Couple of the Year and now the Individual of the Year, start to go after the mascot, we realize how much we are going to miss that this year. It was so much fun traveling to other chapters to capture Smokey and to also meet other Kentucky Riders. We highly encourage each COY and IOY to participate in this during 2023.

Again I want to remind you have a couple of up-coming events.

Mark you calendars for our Tech Day, Saturday, April 22nd. You'll have a chance to work on your bike. In the past members have changed their oil, checked their brakes, added accessories, etc. Don't need any work, still come out. We'll have a picnic lunch and enjoy each others company. Hopefully the weather will be perfect, like last year.

Another day to mark on your calendar is May 20th. Chapter G will have a Go Expo at Indian Motorcycle of Northern Kentucky, 10855 Dixie Hwy, Walton, KY. G will be there from 10am—2pm. We would like to showcase different bikes, trailers and campers. If you can participate, please let Donita know. If not, plan to stop by. Let all your friends and family know to come check us out.

Looking forward to 2023 and hope to see you all at our gatherings, event, etc.

TREASURER'S

Hi Chapter G,

Congratulations to our winners from the March Get Together!! Charlie Thornton won the \$10 "Membership" Draw this month. Lucky Janice Reilly won 1st place of \$25, Jack Redd won 2nd place of \$15 and Janice Reilly won 3rd place of \$10.

Thank you to all who participated at the March Gathering.

We want to thank Dean & Kim Hedger as always doing a great job selling 50/30/20 tickets at our meetings each month!! If it wasn't for Dean & Kim selling tickets and our wonderful members and guests purchasing our 50/30/20 tickets, we wouldn't have the opportunity to do the fun events that we do each year.

MEMBER ENHANCEMENT

Hello "G" Friends,

Spring has finally arrived and Chapter G has many rides and events planned for this year, we hope you can attend some or all. As Wing'd Riders, we have the opportunity to check out their monthly magazine which contains so many interesting articles along with all of their new products. In fact, we just purchased their long sleeve black Wing'D Rider Shirts – they look great. Check out our Newsletter each month for upcoming events as well as our website which contains the most current information.

Let's have another great riding season (whether it is on 2, 3 or 4 wheels) with our "G" Friends and our fellow Kentucky Chapters.

Please contact us if any of your contact information has changed—we don't want you to miss anything. Also, if we are missing your birthday or wedding anniversary dates, please let us know so you can be recognized. If you have any questions or need assistance, please don't hesitate to contact us.

Dean Hedger was presented with his award for being the winner of the 2022 SWAG Award at the March meeting. He had guessed 136,000 miles for total Chapter miles while the actual was 136,386 miles.

The Awards program will be revamped for 2023. In the mileage contest, there will be a separate group for Extreme Riders, those who ride far more than the average. We will then have first, second and third place winners for the remaining participants. Two average awards will be presented for the one above and the one below the calculated average. The Extreme Riders' mileage will be included in the total Chapter miles for average riders and the SWAG Award. The top female rider will also be recognized. The Scientific Wild A** guess for total Chapter miles will not change.

Attendance Awards will see some minor changes. An award will be added for the non-bike rider who attends the most functions. The Chapter Director(s), Ride Coordinator(s) and the Award Coordinator(s) will not be eligible for these awards.

Each month, we will recognize a member's favorite ride from the previous month. All members are encouraged to submit a brief description of a ride they took. This also applies to the four wheel drivers who may take a scenic drive that will appeal to the riders.

The description should include:

- Who participated
- Departure and Destination points
- Elapsed time and miles ridden (approximates)
- Route and points of interest
- Meal or stop recommendations

The description should be emailed to Awards@chapterg.org by the Sunday prior to the monthly gathering. A form for submitting the information will be available at the gatherings.

If you did not participate in the mileage contest last year, now is the time to submit your beginning odometer reading to me. You can email it to me at the email noted above or give it to me at any of our functions. The weather is starting to change, so get your bike ready and ride.

*Gary, Darlene, Michelle & Raven Heil
Awards Coordinator*

I hope everyone had a wonderful Easter. Now that the hard-boiled eggs, jellybeans, and marshmallow chicks have been delivered, Peter Rabbit will go from hopping down the bunny trail to hopping on his motorcycle and riding down the road. I suspect that, as the temperatures become more favorable, many of us will be doing the same.

As you finish the last of your candy, and start making your list of Spring chores, be sure to include the T-CLOCS list of checks for your motorcycle. In case you have forgotten:

T – Tires and Wheels

C – Controls

L – Lights and Electrics

O – Oil and Other Fluids

C – Chassis

S – Stands

The RPM Academy provides the R.17 form for those interested in tracking their bike's history, or just as a tangible method to be sure everything is covered. You can download the form at: <https://rpmacademy.net/wp-content/uploads/2023/02/R.17-RPMA-Vehicle-Inspection-Form-01.31.23.pdf>.

The MSF has a very comprehensive form with detailed descriptions on their website at:

http://www.msf-usa.org/downloads/T-CLOCS_Inspection_Checklist.pdf.

There are several other sources worth reviewing online. You can access them by typing T-CLOCS into your web browser.

There is one point of the T-CLOCS I would like to briefly discuss. This would be the letter L, for lights and electrics. When was the last time you actually looked at the bulbs responsible for keeping you safe? Sure, we all check for function, and true, I rarely ever see anyone with non-functioning lights on their motorcycle. But have you ever noticed some lights are more dim than others, even on the same model? Incandescent lamp filaments atomize over time and coat the inside of the glass bulb. How old are your bulbs? How many miles are on them? Unlike most cars (not including the DRLs), motorcycles run their lights the entire time the vehicle is in operation. This year, take the extra few minutes and open up your light assemblies and check those bulbs. I guarantee the bulb you replace today will last many times over the one you didn't.

Now that you have looked over your motorcycle, take the next step and look over you! In addition to T-CLOCS, there is also T-CARE. I introduced this acronym to Chapter G in the October 2015 Newsletter. In case this was missed:

T – Training

C – Conditioning

A – Attitude

R – Riding Risks

E – Expectations

T - Like any skill, the more it is practiced, the easier it is to perform. And taking a formal training allows your riding style to be checked for bad habits that could otherwise evolve into bad events. **C** - As motorcycling is a physical sport, it is important to keep your body in good shape. Keep your body in good condition by staying active and getting annual check-ups. **A** - Attitude effects our action. Be in a good place when you start your ride, so you can be alert and aware of everything around you. Bad attitudes can cause distractions that can cause bad events. **R** - Everything in life has risk. Be sure to plan appropriately for the risks associated with motorcycling. Consider wearing all the gear all the time. **E** - Think about the ride before you start. A group ride on back roads is considerably different than a rush hour commute. Fun can be found in all rides if we set our expectations accordingly.

Glow Golf was a lot of fun. Several "G" members were lucky enough to win a Free Round of Glow Golf, by successfully completing a Plinko style final hole. After "Glowing" we enjoyed a delicious dinner at Rincon Mexicano Restaurant, where our server, Armando, kept us entertained and made it a fun dinner.

April's Lunch ride (~138 miles round-trip) to Front Street Café in historic New Richmond (<https://www.frontstcafe.com>) will start off at Crestview Mall (time TBD). The restaurant overlooks the Ohio River with sidewalk and patio seating in good weather. The food is delicious, with lunch options including soups, salads, sandwiches and paninis. Or select the "Choose 2

Lunch Special". Front Street also features homemade desserts!

After lunch, there will be a scenic ride in rural Appalachian Ohio, featuring wide sweepers, farmland, and small towns. If time permits, we will stop at the 52 Chilo Dairy Bar. The Chilo Dairy Bar is a very popular spot for locals and a hidden gem along the Ohio River (St. Rte. 52 at 222). Family owned for over 40 years.

More details will be given at the April Meeting or reach out to us at ridecoordinator@chapterg.org. Please remember to sign up early so we are able to provide numbers to all establishments that are welcoming us.

May (Hidden Waters Restaurant at Blue Lick State Park), and June (B.D. Mongolian Restaurant in Lexington KY) events are in the planning, and we are looking forward to sharing those exciting details soon.

Looking forward to some nice spring weather and great riding!

Steve & Lesley
Ride Coordinators

Front Street Café April Lunch Ride

- Front Street Café on the river (accept reservations) <https://www.frontstcafe.com>
- Back patio if weather is good
- Hours 11AM – 10 PM on Friday and Saturdays
- Parking on street and next to café

After Lunch ride

- Ride through some of the rural and farm areas of the East Fork region
- We will go thorough the towns of Batavia, Williamsburg and Bethel
- Comfort facilities available only in the towns, route is very rural
- Route is mostly gentle sweepers, not extremely curvy
- Final stop at Chilo Dairy Bar for ice cream
