## Chapter G

### May 2023

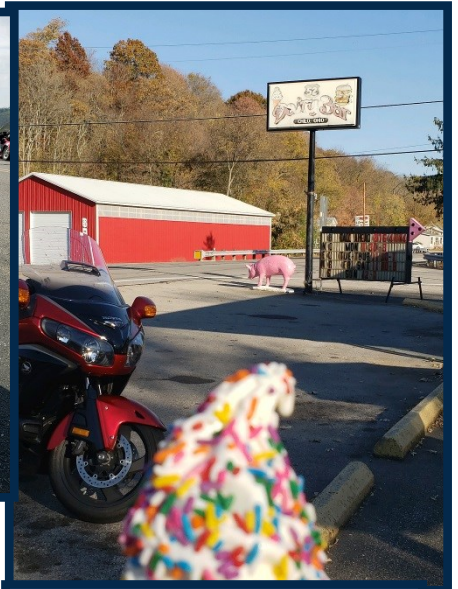

*"FRIENDS FOR FUN, SAFETY, AND KNOWLEDGE"*

**NEXT GET-TOGETHER:** Tuesday 5/2/23 —American Legion, Post 4, 8355 US-42, Florence, KY 41042. Eat at 6pm. Meeting at 7pm

Our April dinner ride was held on April 15th. Those on 2, 3, and 4 wheels gathered at the Crestview Mall and rode to the First Street Café in New Richmond, OH. After a wonderful lunch, they rode thru the countryside and made a stop at Chilo's Ice Cream Bar in Felicity, Ooh. The weather was perfect for the 1st dinner/lunch ride of the season. If you're looking for a nice ride, check out the First Street Café and head down to Chilio's for dessert.

# In the Spotlight

## Gary Heil

This month we are spotlighting Gary Heil. Gary currently serves Chapter G as our Awards coordinator, but did you know that the Heil's were also our Ride Coordinators and Couple of the Year? But these jobs, although challenging, don't hold a candle to being a U.S. Postal Inspector. Gary started working at the Post office as a seasonal employee in 1965. Then, fresh out of high school in 1966 he found himself working at the Newport Post Office which serviced Newport, Bellview, Dayton, Highland Heights, and the surrounding areas, making \$1.92 per hour. I know it doesn't sound like much, but it could go a long way back then.

Gary is a Veteran and served in the Army Reserve from 1970-1976. When he got out, he went to the DC Training School for Postal Inspectors, and from there, spent the rest of his working career fighting Postal Crimes. Now your mind is racing, but I assure you, mail fraud, money laundering, and theft are serious business. Gary had to carry a gun, and had the authority to arrest people if necessary. In the late 70's he was on some big-time task-force involving mail fraud. He traveled quite a bit doing interviews and handling investigations. There are lots of crimes that the Postal Inspectors solve, but the FBI takes credit for it. That's why you don't hear much about them, but they are out there protecting citizens every day.

Gary knew at an early age that he wanted to ride motorcycles. At the age of 18, he partnered with his older brother to buy "their" first bike; a 150CC Ducati. That small bike opened a whole new world for him. In 1997 he purchased a 1995 BMW 1100LT with the intention of adding a side car. One of his favorite trips was to the BMW Rally in Vermont. They travelled on to Acadia before returning home.

His next big bike was the 2004 Goldwing which he purchased from Texas. He recalls that day when he headed to the airport, in full riding gear, no luggage, on a one-way ticket. Of course, TSA was all over that and he was detained, but did get the bike. To this one, he added a sidecar, and the fun began because now he could take Darlene and Raven. Gary enjoyed all the trips he took, seeing lots of National Parks and Historic sites with the family, and all the "Real Men" Trips he took as well. Yellowstone is by far his favorite National Park.

## Gary Heil

Considering all the places he has visited: National Parks, Niagara Falls, the Catskills, and fun trips to the Baseball Hall of Fame, Ben & Jerry's, and L.L. Bean his favorite ride of all times was way shorter, but non-the-less wonderful. It happened way back when he had the Ducati. It was a Friday night, and he was visiting with his cousin who was home from the Navy. There was another cousin there who had a friend with her, and this friend wanted to take a ride on the bike. Being the nice guy that Gary is, he happily obliged and rode her up the street and back, and then up and back again. That simple short ride must have been really special, because he ended up spending his life with that young girl, and this month marks his and Darlene's 52 anniversary.

What Gary likes best about Chapter G is the people and the riding. Big thanks to the Heil's for all you have done and Happy Anniversary from us all.

It's hard to believe that April has come and gone already. So much has happened since riding season officially kicked off. Our first Ice Cream ride was washed out, but the others were a whole lot of FUN! We had 19 bikes show up at the 4/12 ride, and 14 at the second one. The ride was awesome and the routes were beautiful. Steve C and Paul H really did a great job, and the tail-gunners kept us together very well.

On April 6<sup>th</sup>, 4 of us (Gary and Darlene H, Ron H and myself) departed on an overnight adventure to Mayfield, KY to do a Chapter visit with Chapter Y. It was a long ride, but we had a good time. Chapter K from Henderson also showed up at the gathering, and we all enjoyed our time together. They sure do have a lot of FUN with chocolate chip cookies. It was good to see some new growth around Mayfield since that horrible tornado that passed through in December of 2021, but a lot of the town has still not recovered. Dan was telling me that FEMA has not finalized the event yet and so many places haven't received funding to rebuild. Most of the downtown area is still in ruin, cleared to vacant lots and boarded up buildings, but the spirit of the people seems to have pulled through.

We continued our adventure the next day with a side trip to Sikeston, MO for lunch at Lambert's (throw'd rolls) Café. The food was incredible, and we all just wanted to nap all the way home. Thankfully Gary was able to hold it together enough to drive.

Our first official Dinner Ride to Front Street Café was incredible. I'll let Steve and Leslie give you all the juicy de-

tails, but I got to see places that I've never been before. It's amazing how WE...Chapter G Kentucky, were able to cross the mighty Ohio – over and back- and didn't even get our feet wet!!

Riding a HOG...LOL

Our snowbirds are back! Joyce and Windy Quire, and Pam and Maggie are safely back in Kentucky, and ready to re-join all the G FUN. We're glad you're home.

I was able to join the PGR group on 4/18 to greet the return of another Honor Flight. It is such a touching experience to welcome home all of those Veterans as they return from their special day. It's inspiring to see the WWII vets, but the real emotion is felt for all of those Vietnam Veterans who returned from war with no fanfare, finally getting the welcome home that they so admirably deserve. Next month on 5/23 our own Pete Heiss will be on the flight, so I will definitely be there for that one!

I delayed Tech Day based on the weather forecast 4 days prior, and as soon as I sent out the notice, the forecast changed. I learned a good lesson and will be more cautious next time, but I didn't want everyone who was planning to bring food to have things prepared for no reason. Hopefully will re-schedule and everything will be fine.

The GO! EXPO is still on for May 20<sup>th</sup>, and I hope you have made plans to join us there. It should be a great time to show off your ride and share stories of your adventures. There will be a band there and a funnel-cake truck to sweeten the deal.

This year is off to a great start. Let's keep the momentum going, It's the members that our events so much FUN! Please come out and join us.

# GO! EXPO

**May 20<sup>th</sup> at Indian Motorcycle of Northern Kentucky**  
**10855 Dixie Hwy, Walton, KY 41094**  
**10am to 2pm**

Can you believe we are in May! This year is moving fast!

The weather is trying to get warm and I know several G folks have been riding.

We had a great luncheon ride in April to the Front Street Café, in New Richmond. 22 attended the luncheon and those on bikes, and Ron took a 2 hour tour ending in ice cream at Chilo Ice Cream bar. Since John and I were on 4 wheels, we opted out of the 2 hour tour, but did go down the road to Chilo's for ice cream. The weather was perfect for riding.

Don't forget Chapter G continued to gather at various Longnecks on Wednesday night in May for Bingo, and we continued to win, occasionally. Many will now participate in the Ice Cream Rides on Wednesdays nights, but Bingo will continue for those who wish to participate or if the Ice Cream Ride gets rained out.

Mark you calendars for May 20th. Chapter G will have a Go Expo at Indian Motorcycle of Northern Kentucky, 10855 Dixie Hwy, Walton, KY. G will be there from 10am—2pm. We would like to showcase different bikes, trailers and campers. If you can participate, please let Donita know. If not, plan to stop by. Let all your friends and family know to come check us out.

Be sure to register for the Ride-in and reserve your room, cabin or campsite. Looking forward to seeing everyone at Jenny Wiley. The registration form is available [here](#). Or on the next page.

TREASURER'S

Hi Chapter G,

Congratulations to our winners from the April 4<sup>th</sup> Get Together!! Peggy Thornton won the \$10 "Membership" Draw this month. Ron Harper won 1<sup>st</sup> place of \$22, Chris Davis won 2<sup>nd</sup> place of \$13 and Pete Heiss won 3<sup>rd</sup> place of \$10.

Thank you to all who participated at the April Gathering.

We want to thank Dean & Kim Hedger as always doing a great job selling 50/30/20 tickets at our meetings each month!! If it was not for Dean & Kim selling tickets and our wonderful members and guests purchasing our 50/30/20 tickets, we would not have the opportunity to do the fun events that we do each year.

MEMBER ENHANCEMENT

Hello "G" Friends,

With the nice warmer and hopefully, drier weather upon us, let us get out and ride. Both the State & Chapter G have many rides and events planned for this year, we hope you can attend some or all. As Wing'd Riders, check out their wonderful monthly magazine and all their apparel. In fact, we purchased their long sleeve black Wing'D Rider Shirts and now their short sleeved blue shirts – they look great. Check out both Chapter G's and the Kentucky State Newsletters for great articles. Let us have another great riding season (whether it is on 2, 3 or 4 wheels) the most important is to be with our "G" Friends and our fellow Kentucky Chapters. Let's get out and spread the news about how great our Chapter is.

Please contact us if any of your contact information has changed—we don't want you to miss anything. Also, if we are missing your birthday or wedding anniversary dates, please let us know so you can be recognized. If you have any questions or need assistance, please do not hesitate to contact us.

Membership Enhancement  
[mec@chapterg.org](mailto:mec@chapterg.org)*

As mentioned in last month's article, we will recognize a ride a month that a member made in the previous month. At the April gathering, we recognized two rides. The first was made by Charlie and Peggy Thornton in February to Georgetown, KY for lunch. They enjoyed their ride on the back roads but said the best part was being able to ride in February. I agree. Anytime you can get out in the winter months is a bonus.

The second ride was submitted by our Ride Coordinators, Steve and Lesley. In March, they rode to an after wedding party. They arrived at the venue in full riding gear to the surprise of the other guests. Fortunately, formal attire was not required.

We want to hear about an interesting ride you made. Send me an email by the Sunday before a meeting. Include who rode, where you went and any special stops you made including a meal break. Provide a brief description of the route you took.

If you have not participated in the mileage contest previously, send me an email with your odometer reading as of the first of the year or what it is now. At the end of the year, all you have to do is submit your ending odometer reading. You will then be eligible for great prizes. Emails can be sent to me at [Awards@chapterg.org](mailto:Awards@chapterg.org).

Now that it is May, we are ready to hit the road and ride. While we each have our own favorite way to ride and places to go, we all share one thing in common – we all need gasoline\* to run our motorcycles. Gasoline holds a lot of energy. What other common, legal, affordable (relatively speaking), and readily available substance is able to propel a 3,500-pound object 30 miles? Because we all use gasoline every day, it is easy to lose the respect we should have for it considering the potential danger of mishandling it.

Here are a few tips I found when fueling your motorcycle.

Turn off your engine. Besides being a federal law, it just makes sense. If the fuel was to spill as you bring the nozzle to and from the filler neck, or as a result of an overfill, the risk of fire is much greater if the engine is running due to the heat of the engine and the spark from the active ignition.

Take your helmet off. The rising fumes, which are not healthful (and known in California as a carcinogen) may get trapped under your helmet visor and create a toxic cloud around your head. Also, if your helmet is still connected to your audio system by a cable, it may be more difficult to get away if the fuel was to ignite.

Get off the motorcycle. If you spill gasoline, your clothing may get wet. Then what do you do? Yes, it will evaporate, but it is the fumes of gasoline that burn, not the liquid itself. In fact, and I do not recommend testing this, but if you take a lit match and place it fast enough into a container of gasoline, the match will be extinguished, without starting a fire. You must at once drench the effected clothing with water and then remove them. Do not walk anywhere with gasoline on your clothes. Static electricity may cause the fuel to ignite. And it can cause a chemical burn to your skin if allowed to stay in contact long enough.

Turn off your ignition, all electrical accessories, and especially your mobile phone. Do not smoke within 20 feet of the pump. This is also federal law.

A fire at a fuel pump happens somewhere in the United States almost every day. Be smart, obey the rules, and stay safe.

\*It is true there are motorcycles using sources of energy and propulsion systems not requiring gasoline, but these are still in the vast minority.

RIDE COORDINATOR

April's Lunch ride (~140 miles round-trip) to Front Street Café in historic New Richmond was a big success!

We had 11 bikes and Mr. Harper in a very cool convertible car! In all, there were 22 for lunch in New Richmond and then 19 for the after-lunch ride. It was a beautiful day and an amazing sight to see all those beautiful bikes in our rear-view mirror. Special thanks to Randy who provided the CB chatter for safety & directions. Ron, who rode the tail with Gary so we could see when we had everyone in line. The most thanks go to all who were able to come out and spend the day with us on this ride. You are what makes it special. Not to say that good food, ice cream and great roads don't help, but people are the heart of it.

For May, the lunch ride will be to Hidden Waters Restaurant at Blue Lick State Park, leaving from Meijer Gas Station in Coldspring. The lunch buffet is \$15.00 pp, which includes Sweet or Unsweet Iced Tea. Please check the website for the departure time.

The information sheets you see at the meetings for all rides, will now also be uploaded and linked on the Ride Schedule on the website. We will be including the "sights", route, approximate mileage as well as adding the departure time and place.

## German Potato Salad

Submitted by Luanne Williams, (Her mother's recipe)

### Ingredients

- 5 Pounds Red Potatoes (boil until tender and then cool). Before slicing – salt & pepper potatoes. Put 3 sliced hard-boiled eggs and a ½ cup of chopped onion.

#### Dressing:

½ Cup Sugar  
½ Cup White Vinegar  
¼ Cup Water  
¼ Cup Bacon Drippings from frying ½ pound of bacon-fried crisp (cut into pieces)

### Instructions

Before heating – mix 1 heaping T. of flour with 2 T. cold water (whisk until smooth). Add to other mixture. Heat altogether until boiling and thickened. Pour over potatoes and mix.

For 5 Pounds - Potatoes – Double the recipe for the dressing

For 10 Pounds - Potatoes – Triple the recipe for the dressing

It makes a delicious Hot Slaw – mix mixture the same except don't add the flour mixture. Season slaw with onion, salt & pepper. Boil ingredients and pour over slaw and add bacon on top and mix in.

Enjoy!

## Fried Brussel Sprouts
