## Chapter G

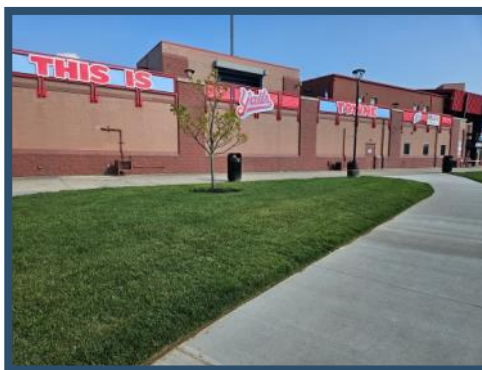

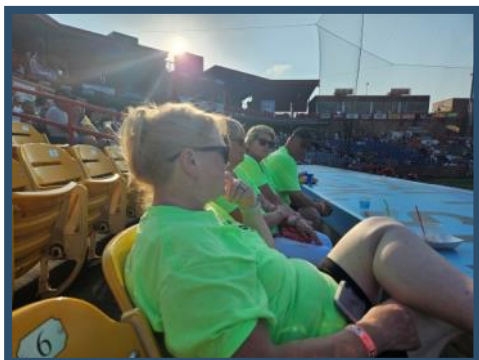

### September 2023

*"FRIENDS FOR FUN, SAFETY, AND KNOWLEDGE"*

**NEXT GET-TOGETHER:** Tuesday 9/5/23 —American Legion, Post 4, 8355 US-42, Florence, KY 41042. Meeting at 7pm.

### TAKE ME OUT TO THE BALLGAME!

Chapter G took in a Y'all ballgame. It was a great time. A few won t-shirts and Judy won a charity raffle basket.

## CAMPING AT FORT BOONEBOROUGH STATE PARK

A few of G's members camped at Fort Boonesborough State Park. This park has a beautiful campground. We had great food to eat, fellowship, and a game of Shanghai rummy...which is to be continued at a later date.

Several road out on Saturday to continue getting answers to the Crossword Puzzle.

## KENTUCKY STATE BLAST

Here are a few photos of happenings at the BLAST!

# Picnic

Chapter G Family Picnic will be held on September 16th at Big Bone Lick Campground. We will gather around campsite #4 and the common area. Our theme this year is, Win Lose and Eat! Games will begin at 2pm and dinner will be at 4pm.

Make sure to bring your gambling spirit with you and hope that lady luck is on your side. There will be Blackjack, Plinko, G-Pong, #'s on the Wheel, Bunco and Left, Right Center (LRC)! Bring your quarters for 2 rounds of LRC and then a final \$1 round!

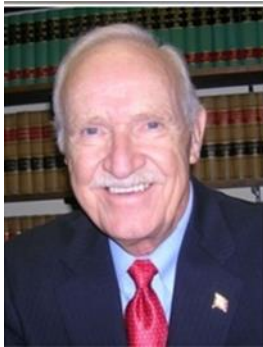

The Chapter will supply Pulled Pork, and drinks. Please sign up to bring a side dish or a dessert. The cost is \$10.00 per person. Guest are \$5.00 per person.

Hope you are feeling lucky!  
Leah

## Memorial—Asa M. Rouse

### Asa M. Rouse

Walton, Kentucky

July 11, 1930 - August 4, 2023

Asa Rouse, 93, lifelong resident of Walton, KY, passed away on Friday, August 4, 2023, at St. Elizabeth Hospice in Edgewood, KY. The son of the late William Wendall Rouse and Louise {Jack} Rouse, Asa was born in Walton on July 11, 1930. He married the love of his life, Elizabeth “Libby” Rouse on June 18, 1952, she passed away on August 26, 2016.

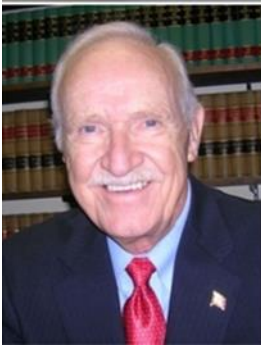

Asa obtained his Juris Doctor Degree from the University of Kentucky, College of Law, in 1953. Before graduating, he was a college student council member and member of the Legal Honorary Fraternity. After graduation, he was a member of the Board of Trustees of the Law College Alumni Association between 1979 and 1981. He then went on to become the Boone County District Judge, by appointment, from 1964 to 1973 and then served on the Kentucky Supreme Court in 1983. He owned and operated his law firm, Rouse & Rouse, which was recognized in 1988 as the Pro Bono Firm of the Year by the Legal Aid Society.

Over the years, Asa obtained many professional and non-professional awards and commendations. He received the Certificate of Achievement from the Northern Kentucky Bar Association in 1998, Title of Senior Counselor from the Kentucky Bar Association in 2003, Honorary Master of the Bench from the Salmon P. Chase American Inn of Court in 2004, and the Lifetime Achievement Award from the Northern Kentucky Bar Association in 2006. The Gold Wing Road Riders Association designated him Master Tour Rider in 2004 and Senior Chapter Educator for Chapter G and was awarded the Mileage Award in 2003 after traveling 26,692 miles in one year on a motorcycle and the Kentucky Educator of the Year in 2004.

He was a member of Walton United Methodist Church and held memberships with the Board of Directors of Star Bank, Kentucky Bar Association, Northern Kentucky Bar Association, Board of Trustees of the Kentucky Judicial Retirement System, Board of Trustees of the Kentucky Legislators Retirement System, Board of Trustees of Booth Memorial Hospital (where he also served two terms as Chairman of the Board), Chairman of Woodspoint Nursing Home, Committee of the Kentucky Hospital Association, Advisory Council for the Kentucky Cabinet for Human Resources, the Woman’s Crisis Center, American forestry Association, Board of Directors of Verona Bank for 25 years, Foundation Board of St. Luke Hospitals East & West, Merit Board of the Boone County Police Department, Judicial Nomination Commission of Kentucky, American Motorcyclist Association, Howdy Boys Social Club, Walton-Verona Businessmen’s Association, Restoration Committee of Gaines Historical Home, Dixie Guys Luncheon Club, Gold Wing Road Riders Association, and the Central Kentucky Riders.

## Memorial—Asa M. Rouse

**Asa M. Rouse**

Walton, Kentucky

July 11, 1930 - August 4, 2023

Those that are left to carry on Asa's legacy are his children, Mills (Charlene) Rouse, Amy (Bobby) Arnett, and Rebecca (Mike) Glenn; grandchildren Addison (Alisha) Rouse, Clinton (Lydia) Arnett, Holden (Soyeon) Rouse, Kate (Mike) Bahou, Gillian (Boone) Meadows, and Shannon Glenn; and great-grandchildren Shae Marie Rouse, Davy Gray, and Drew Gray.

In addition to his parents, he was preceded in death by his wife of 64 years, Libby Rouse.

A private graveside service will be held at the convenience of the family at Walton Cemetery. In lieu of flowers, memorial donations made in Asa's name to Walton Cemetery in C/O Joella Flynn at 12409 Crouch Rd. Walton, KY 41094 or to the Boone County Historical Society at P.O Box 23 Florence, KY 41022-0023 are appreciated. Well folks, I'm home from the Blast and ...oooooo doggie, did I have a good time! If you were among the 26 G Folk in attendance, I hope you enjoyed yourself as well. If you couldn't make it this year, maybe next year will work out better for you. Between rides, games, classes, and camaraderie -both at the venue and at the hotel, I believe the Rally offered something for everyone. It was a great time to interface with KRR folks from across the state and even with some from surrounding states. Overall, there were 102 people in attendance.

Chapter G had a great showing, receiving the award for "Largest Chapter in Attendance". We also finished out the year with First Place in Visitation for 2023 (Which came with a \$100 check) and 3rd place for chasing the traveling plaque. We put up a good fight in the Chapter Challenges and won First Place in the Hat Decorating Challenge – Thanks to Kim A and Mary. Randy and Kim both assisted and participated in the On-Bike Games. Jerry and Luanne, Rick C, and Kim P all won awards for that challenge.

It seemed that nobody was safe from the Sheriff. He was locking people up left and right...it didn't matter if you were a cow, or Vice President of Wing'd, if he had a warrant, you were doing time. And Friday night brought out the cowboys, cowgirls, and hillbillies for a hootenanny of a good time.

Steve and Leslie and the Pommiers took advantage of the great weather and local sites to do some riding. Steve and Leslie clocked in with 901 miles round trip. On Thursday they paired up with Randy and Kim for 250 miles and a stop at Hawg Ass BBQ. Friday was 146 miles to Cumberland Falls with Randy, Kim, Jeff and Janice from Chapter G and Chanel and Tony from Chapter A. Then on Saturday they took off with Steve, Jennie, Johnny, and Sherry from Chapter Y for another 187 miles to High Bridge State Park. Leslie called this their version of visitation, and said they had a great time getting to know people from other Chapters through riding with them. I told her that I envied her gluteus fortitude, and she told me that she really loves her Air Hawk.

We all have different ways of having FUN. I hope you are enjoying your version. Be careful in the heat, be SAFE ALWAYS, and have FUN!

*Donita Nardi*

How can it be September already. This summer has flown by. You still have time to get out and enjoy a ride.

John and I want to say HATS OFF to the State Team for an excellent Blast. From the decorations, games, vendors, vittles and rides, it was a great time. We even had Jed Clampett and Granny at the Friday night vittles. A few members were arrested and spent sometime in the jail. Looking forward to next year's Blast, back in Danville.

Although John and I were on 4 wheels, we did check out 2 locations, Wilderness Trail Distillery and Penn Store. If you did not check these out or you were not at the Blast, the next time you're in Danville, you need too.

Don't forget Chapter G continues to gather at various Longnecks on Wednesday night for Bingo. Many are still participating in the Ice Cream Rides on Wednesdays nights, but Bingo will continue for those who wish to participate or if the Ice Cream Ride gets rained out.

TREASURER'S

Hi Chapter G,

Congratulations to our winners from the August 1<sup>st</sup> Chapter Get Together!! Robbie Feldkamp won the \$10 "Membership" Draw this month. Rick Cridlin won 1<sup>st</sup> place of \$31, Barb Young won 2<sup>nd</sup> place of \$18, and Steve Centner won 3<sup>rd</sup> place of \$13.

Thank you to all who participated in the August Gathering.

We want to thank Dean & Kim Hedger for always doing a great job selling 50/30/20 tickets at our meetings each month! If it was not for Dean & Kim selling tickets and our wonderful members and guests purchasing our 50/30/20 tickets, we would not have the opportunity to do the fun events that we do each year.

MEMBER ENHANCEMENT

Hello "G" Friends,

It is so hard to believe that the summer is almost over, and school will be in full swing when you read this article. Enjoy the rest of the summer days and try to meet new "riders" wherever you go. Donita has put together a "business card" style to introduce a new person to Chapter G and Wing'd Riders – please feel free to pick them up from Donita – please give them one of our "business cards."

Please contact us if any of your contact information has changed—we do not want you to miss anything. Also, if we are missing your birthday or wedding anniversary dates, please let us know so you can be recognized—we will ensure the information is passed on to Rena Hobbs. If you have any questions or need assistance, please do not hesitate to contact us

Exploring and touring are two of the reasons we ride motorcycles. Over the years I have visited many museums, National and State Parks, monuments and assorted oddities on rides across the country and close to home. Just this year, I have been to two unique museums while on Chapter G rides. In April, the lunch ride was to New Richmond, Ohio which is home to the "World's Only Cardboard Boat Racing Museum" and an annual Cardboard Boat Regatta. Boats are constructed to resemble "real boats" such as the Island Queen, automobiles, airplanes and animals. The staff will offer tips on building your own cardboard boat so you can enter the annual race. If you do not want to build your own, you can purchase raffle tickets to win one built by the staff. By the way, New Richmond claims to be "America's Cardboard Boat Racing Capital."

In August, the Chapter lunch ride was to Hillbilly Hot Dogs in Lesage, WV. There are no words to describe the décor for this establishment. Some may consider the decorations antiques while others say it is junk. Jerry Williams counted at least 12 Singing Billy Bass plaques in various locations on the property. You will need to attend the September gathering to see the videos and photos of the facility. After lunch, we proceeded to Point Pleasant, WV to view the Mothman Statute and "The world's only Mothman Museum." This was a learning experience for me as I knew nothing about "Mothman". Point Pleasant had been the site of a World War II Munion plant. On November 15, 1966, two young couples were driving near the old plant when they saw a large white creature whose eyes "glowed red", standing at the side of the road. One of them described it as a "slender, muscular man" about seven feet tall with white wings, and said that she was unable to discern its face due to the hypnotic effect of its eyes. The witnesses drove away at high speed, and said that the creature flew after their car, making a screeching sound. It followed them as far as the Point Pleasant city limits. Subsequently, others reported seeing the creature. The county sheriff and a West Virginia University biologist speculated it was a sandhill crane. The name "Mothman" was derived from the fictional superheros of that

timeframe. On December 15, 1967 the Silver Bridge between Point Pleasant and Gallipolis, OH collapsed causing the death of 46 people. The incident gave rise to the legend and connected the Mothman sightings to the bridge collapse. The "Mothman" was also sighted at the scene of other disasters around the world. The legend grew with the publishing of a book entitled *Mothman Prophecies* in 1975 and the release of a major motion picture of the same name which was loosely based on the book in 2002.

If you have been on an interesting ride, please share the detail so they can be highlighted in the newsletter. Send the information to [Awards@chapterg.org](mailto:Awards@chapterg.org).

I hope everyone that attended the 2023 Kentucky Blast enjoyed the event. There were many games to play and great riding opportunities available during a week in August of lower-than-normal temperatures. There were also educational opportunities supported by the RPM Academy training curriculum. Even the game at the Rider Ed table offered a chance to learn about different road signs, and you could also learn about the importance of hand strength and how the use of your right-hand fingers affects your ability to stop your motorcycle.

Motorcycling is a physical activity that requires the operator to have a certain amount of strength to control the motorcycle safely and effectively. Nearly every bike made has a hand brake lever, normally for the front brake, and a foot brake lever, normally for the rear brake. (Some scooters I have seen and ridden have only hand brake levers, with one for the front brake and one for the rear brake.) Some motorcycles have combined or linked braking arrangements, such that some rear braking is included when the hand lever for the front brake is activated, and some front braking is included when the foot pedal for the rear brake is activated. Regardless of how the braking system is engineered, as much as 80% of the total braking power of the motorcycle is in the front brakes, making strong hands necessary to safely ride your vehicle.

Beginning riders are normally taught to use all four fingers when applying the brake, and at all other times to leave the fingers on the handgrip. More advanced riders can learn about alternate techniques of using one, two, or three fingers to cover the brake lever. There are several reasons for using any of these techniques, and there are right and wrong times to cover the brake. Covering the brake is simply holding one, two, or three fingers over or just on top of the brake lever. The benefit of this is a faster reaction time when needing to apply the brakes, since your fingers are already extended. It is possible that as much as a quarter second can be saved by covering the brake. At 60 miles an hour, that quarter of a second translates into 22 feet, or more than an average car length. The drawbacks to covering the brake include decreased ability to apply full pressure to the lever, the potential to roll on the throttle while braking, and the potential in slow speed maneuvers to drop the motorcycle by inadvertently applying the front brake.

Several people who used the strength gage available at the Rider Ed table found out just how much difference there is between a two finger and a four finger pull on the brake lever. Regardless of your riding experience, using all four fingers supplies the strongest pull on the lever, which is nearly twice the power of a two finger pull. I find that reducing my pull on the brake lever is easier than trying to apply more pressure, especially if I am already trying to apply the most pressure possible.

## CAMPING COORDINATOR

We have had two great camping trips this summer. General Burnside State Park and Fort Boonesborough. Both campgrounds are definitely worth visiting again. Both were very different kinds of camping trips for the G. Both were tons of fun!

If you are interested in camping at John James Autobahn State Park in Henderson, KY, September 29 - October 1st, please let us know. We don't have reservations as we were collecting interest first.

Next up is the Chapter G Campout at Big Bone Lick, September 15-17, 2023. There may be a few spots left. If not, check around and see if anyone needs a camping partner. We will have our annual Chili dinner on Friday night and our picnic on Saturday

(separate article for details).

The last camping trip of the year is with the State, October 12-15, 2023 at the KOA Louisville South. I know there are still campsites available. If you wish to go, just ask to be with the motorcycle group or near the Cridlin's. This will be a super fun weekend with the Jack O'Lantern Festival on Friday the 13th and a fun KRR family pot-luck dinner on Saturday. The campground celebrates Halloween all weekend long. Movies on both Friday and Saturday nights and Saturday they have trick or treat for the kids. Several campers decorate their campsites as well. This place is one of my new favorite campgrounds. If you are not a camper, but want to join in on the fun, there are several hotels

at the Shepherdsville exit, less than a mile from the campground.

Do you have suggestions for camping in 2024? If so, let us know where and we will check into adding it to the G calendar.

August saw us with our first overnight trip this year, with some unusual destinations in West Virginia.

We had 4 bikes heading out on Friday, with Luanne and Jerry joining us Saturday morning.

The fun began with our first stop, which also happened to be for lunch at HillBilly Hotdogs. Wow, this place is really something to see. Pictures don't do it justice. It has been visited by Guy Fieri w/ Diners, Drive-Ins and Dives, if that tells you anything. West Virginia hotdogs are a bit unusual as they come with a type of chili sauce (nothing like Skyline), and coleslaw, then add various toppings to this "basic dog". The state even has a Hotdog Trail, as they seem to take their hotdogs seriously. You need to get there early, as parking is definitely an issue, but we lucked out!

Next stop was to visit the Mothman Statue, about 3 minutes away in Point Pleasant. Gary and Darlene's granddaughter, Raven was with us and a real Mothman fan! Point Pleasant even has a Mothman Museum and a Festival is held each year.

Saturday saw a long ride, around 5 hours or so with a lunch stop at a small restaurant run by a Marine. As it ended up, he was actually the cook the day we were there and came out to talk to us and thank us for coming.

Dinners on Friday and Saturday were both delicious!! Christophers' Eats and then Fratelli's Italian Restaurant near Huntington.

On the way back, the group decided to come back through Ohio and we were able to stop at the Buckeye Dairy Bar for a comfort stop and just to see how it looked for an upcoming event and also up to the Lodge at Shawnee State Park for lunch.

A fun, unplanned surprise on the way home is that John & Robbie Feldkamp had their bike turn 100,000 miles. We were able to pull over in Portsmouth, OH for the pic and congratulations!!!

Our next planned ride is to LaGrange KY. Hope you can join us.

Please check the website for all the up-to-date information for all rides. Especially check out the new tab for the Annual Fall Ride Event". An itinerary is in the works and details will be added as we confirm all the plans. We plan a more in-depth presentation at the September meeting.

Feel free to email [ridecoordinator@chapterg.org](mailto:ridecoordinator@chapterg.org) or text Lesley at 513.967.2645 for any questions or to sign up!!

TRAVELING  
PLAQUE

The Traveling Plaque promotes visitation between chapters. Each chapter has a chance to capture the plaque by attending the chapter meeting of the chapter who currently holds the plaque. Points are given at each meeting that your chapter attends. At the end of the year, at the KY Blast, the chapter with the most points, is awarded the plaque.

Check on [KY District site](#) for updated information on meetings.
