

Chapter G – Ride Suggestions for 2024

We would love to have your suggestions for the 2024 riding season. While we do have leftover ideas from last year and some of our own ideas, it is truly important to us that we have your suggestions for new adventures, places to eat and visit.

Please fill in as many ideas as you have and provide any additional information that you can.

We are always available all year long, via text, email (ridecoordinator@chapterg.org), on rides and at chapter meetings to hear your ideas!
