## Chapter G

### January 2024

*"FRIENDS FOR FUN, SAFETY, AND KNOWLEDGE"*

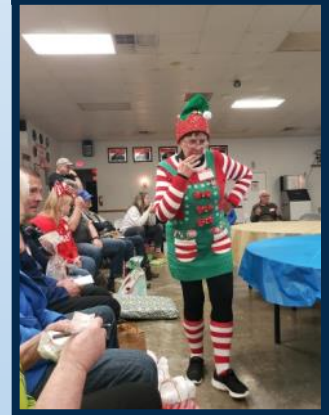

**2024 GET-TOGETHERS:** NEW DATE. Starting in January 2024 our get-togethers will move to the 2<sup>nd</sup> Tuesday of the month. Be sure to change your calendar to reflect new dates. January's get-together will be on the 9<sup>th</sup>.

Chapter G held it's annual Christmas Party at Kelly's Homestead in Dry Ridge. As always, we had our Dirty Santa Gift Exchange and we enjoyed dinner and show featuring music by Neil Diamond. Our 2024 Couple of the Year and Individual of the Year were announced. Congrats to Steve and Lesley Holder-Hare and Ron Harper.

## Chapter G's December Gathering

Our December gathering is always a fun evening. This year we shared appetizers and desserts. Then we had a game of Dirty Bingo. To participate you had to bring 3 to 5 wrapped items from your home that you no longer wanted. To play we all selected 7 numbers from 1 –75, yes Bingo numbers, and as they are called you selected a wrapped item from the tables, but once the tables are empty, you would steal from someone. This continues until all 75 Bingo numbers are called. Then you select the gift stolen the most, or one you like to most from your stash. A story is told with left and right wording and you pass the item either left or right. Once the story is done, what you have is yours to keep.

## Laying of the Wreaths

Several members of the G participated in the Laying of the Wreaths at the Veterans Cemetery in Williamstown, KY on Saturday December 9<sup>th</sup>.

# Chapter G Memorial

The G lost 3 family members in 2023. As we reflect back on the year, we would like to remember them and their families.

## Memorial—James “Jim” Morrison

On Tuesday, June 13<sup>th</sup> Chapter G lost another great member. Jim joined Chapter G in March of 2022. He loved going on the Ice Cream Rides and always had a wonderful smile to share with the group. He was an interesting fella to say the least, which you would know if you ever had the chance to talk with him. Besides riding motorcycles, Jim had a lawnmower repair service which I'm told he was very good at. Jim will be remembered for his love of family, tractor pulls, motorcycle racing, riding his trike, classic cars, and playing softball. Throughout his life he worked as a machinist, mechanic, lawncare and mower repair tech, and most recently as a special need's bus driver for Walton Verona Schools. He had an amazing sense of humor and was dearly loved and will be greatly missed by all who knew him.

## Memorial—Asa M. Rouse

### Asa M. Rouse

-a firm decision to do or not to do something.

The history of making New Year's resolutions dates back about 4000 years to the Ancient Babylonians. They made their resolutions to the gods, and if they kept their word, they would be looked upon favorably, but if they didn't, they would fall out of the good graces of the gods. Similarly, the Romans would make offerings/promises to Janus, the origin of January, who was a two-faced god who looked both to the past and forward into the coming year. For the early Christians, the practice was more about looking at ones past mistakes and resolving to do better in the future. Today our resolutions are less about pleasing a higher power and more about self-improvement. About 45% of Americans will make New Year's resolutions this January 1 st , and an average 81% will have failed by February. But without the wrath of an angry god hanging over your head, it's not literally the end of the world. It seems that most New Year's resolutions go in one year and out the other. Still, in the spirit of improvement I quietly set some type of annual goal just to keep myself challenged.

It doesn't help that here in America our biggest celebration of the New Year involves dropping the ball. That's a heck of a way to start, don't you think? By the way, if you happen to be headed to Time Square for New Year's, here's another little fact...there is 1.5 tons of confetti thrown at that party and it takes 300 sanitation workers 15 to 16 hours to clean up the trash left behind, so be kind and follow the hikers' rule, "pack it in, pack it out".

Big decisions need to be made of what to resolve for 2024. There are so many things to choose from it's hard to settle on just one, but truthfully, I know that I can only handle one, and that's only if I really try hard. I could resolve to procrastinate less, but I think I'll set that one aside for now. I could set a goal to lose 10 pounds, but I know that with Ice Cream and Dinner Rides to look forward to, by September I'll only have about 20 pounds left to lose to reach that goal. I could vow to quit telling bad jokes, but nobody likes a quitter. I attempted to get some assistance in making this decision by asking a friend at work who does IT. His answer was the best resolution is 1080p; obviously that didn't help. I think I will have to go with my old stand-by that has never let me down yet. I resolve to have as much FUN as I possibly can. I hope you will join me!

I'd like to thank all of you for coming out and taking part in everything that Chapter G has to offer. You are what makes this group wonderful. Special thanks to all the coordinators who truly make Chapter G happen. I could not do it without you. I do not know what this year holds, but I promise to do everything I can to make 2024 a FUN and enjoyable year for our Chapter G family. Happy New Year Chapter G!

Happy New Year! Hope everyone had a wonderful Holiday Season.

So looking back on 2023 I can truly say it was a rough year for John and I. I was just finishing up PT on my shoulder when John started his knee replacements. Our riding season was non-existing on the trike, but we did participate with 4 wheels.

We attended the OPS meeting and the Murder Mystery Dinner. Had fun playing Glow Golf. Found a new Ice Cream stop—Chilo's. Attended the Ride-in, sponsored by Chapter T which allowed us to visit Lorretta Lynn's home. Had to miss the First Wing'd Rally, due to John's knee replacement. Watched the Florence Y'all game. Attended the Kentucky Blast. Also had a few chapter visits and other dinner rides included and Bingo. The point is, we were still able to participate on 4-wheels.

We are hoping 2024 allows us to get back on the trike for many of the events that are being planned. Sign ups are available for the Blast and the Wing'd Rally. We have made our reservations and are looking forward to these events and the Ride-in.

We would also like to congratulate 2024 Couple of the Year—Steve & Lesley and our Individual of the Year—Ron Harper.

February we have our annual game night at Gary & Darlene Heil's clubhouse at Lookout Farms. This is always a fun night and the soups and desserts are awesome.

As always, check the calendar on our website for events for the month so you can plan your calendar. Also, be sure to check out the Kentucky Road Rider website for State events.

Hi Chapter G,

Congratulations to our winners from the Tuesday, December 5th Chapter Get Together!! Rena Hobbs won the \$10 Membership Draw this month. Troy Robinson won 1st place for \$19, John Keiter won 2nd place for \$11, and Rick Cridlin won 3rd place for \$8.

Thank you to all who participated in the December Gathering. What a great time exchanging our white elephant gifts – everyone was anticipating opening their gifts and finding out what items were stolen the most ☹️. Donita did a great job, and she created a poem that included passing gifts to the right or left. There were a lot of laughs – thank you for the fun Holiday Celebration.

Also, we want to thank Dean & Kim Hedger for always doing a great job selling 50/30/20 tickets at our meetings each month! If it was not for Dean & Kim selling tickets and our wonderful members and guests purchasing our 50/30/20 tickets, we would not have the opportunity to do the fun events that we do each year.

Happy New Year everyone. May 2024 be the year you are able to get out and ride like the wind and accumulate some miles. And while you are at it, attend as many Chapter Events as possible as you may be able to win an Attendance Award for the year.

As the new year begins, please record your ending odometer reading for 2023 and forward it to me. If you have not participated in the mileage contest before, submit both your beginning and ending odometer readings for 2023. Also, send your and your co-rider's guess for total Chapter mileage for the year. The deadline to submit data is **11:59 P.M., Sunday, January 14, 2024**. The deadline has changed from what was previously stated, as the Chapter Meeting will change to the second Tuesday of the month starting in January 2024. You may email the information to me at [awards@chapterg.org](mailto:awards@chapterg.org) or give it to me at a meeting.

Since 1973, the Motorcycle Safety Foundation (MSF) has been continuing to educate the American rider in motorcycle safety and operation. In 2023, they passed the ten million mark for the number of riders enrolled in the Basic Rider Course.

The U.S. Senate agreed to a resolution recognizing the Motorcycle Safety Foundation for 50 years of safety education and improving the ride for motorcycle riders across the United States. sponsored by senators Gary Peters of Michigan, Ron Johnson of Wisconsin, Ted Budd of North Carolina, Joni Ernst of Iowa, Thom Tillis of North Carolina, and Bob Casey of Pennsylvania.

The resolution recognizes that the “efforts of the Motorcycle Safety Foundation are aimed at making the roadways of the United States safer for both motorcycle riders and non-riders.” It also notes that 46 states and the [U.S. Armed Forces](#) use an MSF curriculum as their motorcycle license waiver course and that nearly 10,000 RiderCoaches teach MSF curricula at 2,700 training sites across the country. It further notes that MSF meets the needs of motorcycle riders by continuing to create courses for the most popular types of bikes on the road and on the trail, including the hands-on [Adventure Bike RiderCourse](#) and the [DirtBike School](#) courses, which help riders get the most out of their bikes. A copy of the resolution appears below.

While visiting the MSF website, [msf-usa.org](http://msf-usa.org), I found that on-line classes are now available, starting at \$19.99 each. The MSF also offers two different sets of three classes for \$39.99 each. If you find you have a few hours of down time and are looking to add to your knowledge, or you just want to refresh what you have learned in the past, check out the classes they offer. They even have some preview videos to watch so you can choose the courses that are right for you.

Who is thinking about camping in January? Well, actually we are. No final plans yet, but we will have a schedule published soon.

If you have somewhere you would like to camp, please let us know. We are always looking for new adventures or possibly visiting some chapter favorite places.

North, South East and West there is camping everywhere. Cabins, Motorcycle, Trampers and Campers galore make for a diverse fun trip anywhere the G goes.

Happy New Year! We hope the holidays were a beautiful end to a wonderful year.

As we begin preparations for a new riding season, please remember to send us your ideas/suggestions. We look forward to hearing from you all year long and keep track of them for current and future use. Email: [ridecoordinator@chapterg.org](mailto:ridecoordinator@chapterg.org) or text 513.967.2645.

As the monthly meeting has been moved to the 2<sup>nd</sup> Tuesday in the month, with our normal scheduled ride day as the 2<sup>nd</sup> Saturday in the month, ride communication and sign up will be important as soon as you know so we can adjust reservations as needed. There are now only 3 days between the meeting and the ride. We usually have several months' worth of signups out at a time during the meeting and we will do our best to make sure that continues. Email or text me (Lesley) if you don't happen to make it to a meeting to sign up. The ride info will always be on the website too.

We look forward to making more memories, furthering the friendships we've made while riding, and hope to get to know more of our "G" members this year. We are very humbled and excited to represent the chapter as Couple of the Year. Thank you for your faith in us!
