Riding season is in full swing, and the River Valley Riders has a lot going on. If you haven't been taking advantage of all the fun we are having, I hope you will join in. As has long been said, it's the people who make these events so much fun.

We had a beautiful day of riding and a fabulous meal at Claudia Sanders Restaurant in Shelbyville. I wish I had their recipes for those "family style" dishes that were served. I ate way too much, and was aching for a nap, but the ride home was just as enjoyable as the ride there. In Shelbyville, we were joined by 6 folks from Chapter A Louisville, just to make the mealtime chatter a little more interesting.

Prior to that, we had an equally enjoyable ride around Indiana, a fun lunch at 4 Speed on 50 in Lawrenceburg, and an interesting walk through the classic car museum that is run by the owner, Steve Caudill. Steve likes to collect low-mileage classics, and has amassed a beautiful collection of cars, all with a unique story.

Steve and Lesley continue to astound us with awesome rides and remarkable destinations, and there are still lots of opportunities for you to come out and see for yourself.

In addition to rides, Lesley has also done some incredible work in designing our new River Valley Riders-KyG Facebook page. I am personally not a Facebook participant, but Lesley has been more than kind by sending me snippets of the postings that she is making. The page is not currently open for people to post on, but you can "like" what she is posting and see pictures of our events as they happen. A "group" is in the works but will be by invitation only so that our page can stay unscathed by outsiders. If you are a Facebooker. Check it out! River Valley Riders-KyG.

There is a lot going on, and we are making every attempt to keep everyone in the "know". We are communicating riding opportunities and Chapter events through:

The Website @ Chapterg.org

Our fabulous Newsletter @ <https://chapterg.org/newsletter/>.

Monthly Get-Togethers – Second Tuesday of every month where you can physically pick up printed information on our events/ rides and sign up

Now on Facebook @ River Valley Riders-KyG

A weekly email that lists everything happening in that week.

We've done our part. All you have to do is come out and enjoy. We are having a great time! Why not join us?

Stay SAFE and HAVE FUN!!

June? How is it already June? John and I are looking forward to attending the 2nd Wing'd Rider Rally at the end of the month. Hope to see many of you there. This will be our longest ride since John's knee replacements.

It was great to see so many members at our May gathering. Snowbirds are back, members who just started coming to meetings, and old friends who are now able to attend. Chapter G appreciates all of you and the members who always attend. Let's keep the momentum going and continue to grow Chapter G and Wing'd Rider.

After the Wing'd Rally, the next big event is the Kentucky State Blast. We're going back to the 70's! This was John and mine era. Bell bottom, leisure suits, peace signs, disco, etc. The music was great, men wore their pants correctly, people got together to talk, we didn't have many cares, except for finishing high school. Hope to see you there as we put on our boogie shoes and dance, well some of us will dance, while others just chill and enjoy the entertainment.

How are you doing on the Scavenger Hunt? We only have 1 more to find. This was such a fun activity. I had to scratch my head a few times and wonder—How did she find this? If you haven't started, it's not to late.

Did you see the information on recruitment? If not check it out in this newsletter. What a great way to grow Wing'd Rider and give back to it's members.

Remember:

- Sign ups are available **the [Wing'd Rally](#)**.
- As always, check the **[calendar on our website](#)** for events for the month so you can plan your calendar.
- Also, be sure to check out **the [Kentucky Road Rider](#)** website for State events and news.
- **[Scavenger Hunt](#)** for Chapter G

Enjoy the weather and ride!

TREASURER'S

Hi Chapter G,

Congratulations to our winners from the Tuesday, May 14<sup>th</sup> Chapter Get Together!! Windy Quire (one of our snowbirds) won the \$10 "Membership" Draw this month. Leah Cridlin won 1<sup>st</sup> place for \$32, Charlie Hobbs won 2<sup>nd</sup> place for \$20, and Mark Niesha won 3<sup>rd</sup> place for \$14.

Thank you to all who participated in the May Gathering.

Also, we want to thank Dean Hedger who did a great job selling our 50/30/20 tickets. If it was not for Dean selling tickets this month and our wonderful members and guests purchasing our 50/30/20 tickets, we would not have the opportunity to do the fun events that we do each year.

AWARDS COORDINATOR

The Ice Cream Rides have begun. If you have not been a participant in the mileage contest before, now is the time to join.

There are various ways to achieve an award in the program.

Ride 10,000 miles and you can join the 10 K club. The top 3 riders below 10,000 miles win awards.

The total for all participants, minus the 10 K club members, are added and an average is calculated. The person closest to that wins the "Average Rider Award."

All you have to do is provide your odometer reading as of January 1 or the current odometer reading. At the end of the year, report the ending odometer reading.

Emails can be sent to [Awards@chapterg.org](mailto:Awards@chapterg.org) or you can provide the information to me at any event which I attend.

*Gary, Darlene, Michele  
& Raven Heil  
Awards Coordinator*

It's riding season again and as with every year, this marks the beginning of our best chance to attract new members to our group. In the past we have tried exhibiting our hobby at various locations: malls, motorcycle dealerships, etc. This has not proven to get us the attention that we deserve, and with a very busy calendar this year, wouldn't you rather be out riding than sitting in a parking lot? I know that I would. So this year we will be trying something different. We will be ducking!!

What is ducking you say?? Well, we have acquired some very friendly little ducks who have agreed to wear our Chapter information on their bellies. While you're out riding, if you see a motorcycle or trike sitting somewhere and you think that it would look happier if it was with Chapter G, you simply place a little happy duck on the seat and let it do its magic. The hope is that we play on the riders curious nature and they check out our wonderful website. And, if they like what they see, maybe they will come and check us out. It's simple, fun, and doesn't cost us any time sitting in a parking lot waiting for the riders to come to us.

So get a couple of ducks and keep them in your bike/ trike. You will know when the opportunity is right. Let's just do what we love to do, and get out and ride! If you need ducks, just let me know, or come to a get-together and pick some up!

Stay safe and HAVE FUN!!!! \*\* Donita

The growth of Wing'D Rider is something that is getting a lot of attention these days. We are all being asked to assist in the efforts to attract more members. Because there is strength in numbers, this will benefit us all. The question of course is how do we attract new members, especially when we feel we are not good speakers or comfortable approaching strangers, or even leaving little ducks on the seats of motorcycles (which I think is a great idea)? How do we find people that want to be with us?

One way to do this is to be the rider or group that you would want to join. A group that is excited about riding and the friendship we are all enjoying now. Presenting a good appearance while you are out on a ride can cause the curious to approach you. Would you want to be part of a group that rolls into a restaurant and haphazardly goes to random spots anywhere, or a group that patiently stays together as they navigate the lot to an open section where they can all be together? Are you not involved or excited about riding? Have you lost the spark you had when you first joined? How do we get that excitement to return?

**Read.** Subscribe to enthusiast publications or find them at the local library. Motorcycle magazines have many exciting stories of people like us doing what we love to do. The internet has opportunities to learn about riding techniques that can make our sport safer and more entertaining. Knowledge is power and a tool kit you can use when someone asks about your riding skills.

**Take classes.** After riding for 27 years, I finally took the Basic Riding Course. For me it was mostly a review, but for several others in the class, I was an example to follow. They asked me about my riding because they saw something they wanted.

**Practice.** Put all the knowledge from the reading material and the riding classes into actual performance. Smoothly navigating through a crowded parking lot or a busy gas station will draw attention to you, in a good way. This attention will increase exponentially when in a group of like-minded riders.

Being the good rider that you are, and working to be the great rider you want to be, will attract people to you. All you need to do is answer their questions with the sincerity and energy that you have for motorcycling. The inquirer will want what you have. Lead by example. Because of your continued practice and education in our sport, you will attract new members without any extra special effort.

CAMPING COORDINATOR

As we prepare for our camping adventures let's keep some things in mind. To make a camping trip successful, here are some things you should do.

1. 1. Make a Reservation. ...
2. 2. Check the Amenities at the Campsite. ...
3. 3. Research the Area. ...
4. 4. Make a Meal Plan. ...
5. 5. Organize Your Equipment. ...
6. 6. Pack Your Cooler (the right way) ...
7. Make the Road Trip Part of the Journey.

There are few occasions when Rick and I have left and said we'll find someplace when we get there. But that is risky as you don't know what kind of conditions or availability you will find. The great thing about camping with the G is that most of us know the campgrounds

and whether or not it is a good fit for motorcycle campers; which is another consideration to regular camping.

The G is NEVER without a good meal when we camp! This is another perk of camping with the group, you don't have to pack everything for every meal. Family dining is our style and seems to work for everyone.

Another plus of camping in a group is that you don't always have to pack all your cookware! You only have to pack for the part of the meal you are responsible for. This saves space in those campers for other equipment.

I have learned to pack the cooler top down. Pack the foods you will eat first on the top and then work your way down through the meals

of the trip. This helps your groceries stay colder longer and your ice will last longer. You don't have to keep the cooler open longer than necessary to find what you need.

We hope to see you on an upcoming camping trip soon. Check the website for the next trip.

To camp or not to camp....is it a question?

**Camping Coordinator**

The month of May saw us with 2 scheduled rides and the weather was kind enough to cooperate for both of them.

May 11<sup>th</sup> was a ride on backroads to the 4Speed on 50 Diner in Lawrenceburg Indiana, arranged by Ron Harper. Bonus was a tour of a vintage car museum located behind the diner. There were 16 people (plus 2 adorable grandkids)/10 bikes. In keeping with the 50's theme, the servers wore poodle skirts and the décor was classic 50ish! A few of us were able to tour the car museum and it was a small but incredible collection of cars that were very low mileage and many of them were mostly, all original paint, upholstery etc. If you haven't been there, the diner and the museum are a must-do! Totally worth the trip. Backroads going home had us sure we heard banjo music! Thanks again to Ron and Donita for suggesting and arranging the trip.

The May 18<sup>th</sup> was a beautiful backroads ride to Claudia Sanders in Shelbyville, KY. It was a longish trip, taking the best part of 3 hours to get there but the food was superb, and we got to meet up with several members from Derby City Road Riders (Chapter A). We had 16 people/12 bikes. With the 6 members from Chapter A, we had a rousing or was that rowdy, 22 people for lunch. Oh, and let's not forgot that Monty attended.

Looking forward in June, we have trips for the Buckeye Dairy Bar & Mini-Golf (optional) on June 8<sup>th</sup> and to Wallace Station on June 22<sup>nd</sup>. We hope that you will join us on the ride, or even meet us at the destination.

Upcoming ride information can be found on the website on the Ride Events tab. Or feel free to text or email me for any information or to sign up.

Hoping the weather will be drier so that we can all get out and enjoy the Ice Cream rides !

### Here's the Scavenging for NKY– Good Luck!

- This stop is in Williamstown, where lots of Heroes go. Be humble and be reverent. This one, I'm sure you know.
- On Harris Pike in Independence, where Buddy makes his pies, you will find us proudly standing where Ole' Glory catches your eyes.
- Back in '88 Wall brook was my name, when Raiman called me home, and now the Sisters do the same.
- In the town of Vevey, along route 56, two very interesting critters can be found along the way. One is fun and "tubby" and the other quite macabre, but both will get you points if you stay on the job.
- Head down East Vaughn Drive, before it turns to West in the sweet small town of Madison, where Ice cold treats are best.
- Way down 42, where the river seems to stop, by 1400 feet of concrete and some wires and stuff on top, is where you'll find your answer for this crazy puzzle stop.
- Way back in 1811 William Arnold called me home, I'm made of big strong poplars, but my foundation ...it did roam. Now I stand on South Main in the center of Williamstown, and if you can find me you can write your answer down.
- One Hundred two foot high and made of heavy stone, I brought water to the troops who called Ft Thomas home.
- Many Wednesday nights you'll find "G" folk gathered here, having fun and laughing with cones of creamy cheer. I'm 6 miles south of Walton on the highway 25 and if you care to join them, I'm really worth the drive.
- I am the mighty Huey, in which many Veterans rode, in the war back in the 60's when much blood was spilled so cold. I stand in solemn honor, amongst a little flora, on the banks of the Ohio, in the City of Aurora.
- Find Butler State Park and go out the back way, take a left on the dead end, and do not dismay. Go as far as you can and then take a short walk, and you might just find the secret lock.
- Down Crittenden way on a nice sunny day, take a ride down Bagboy until it turns Shady. Right is the way to ride your fine steed, until you come to Menefee. Now check out the trees above your head and words of disbelief will soon be said.
- A sweet little ride down route 8, in Silver Grove, where the treats are great, since 1952 this is where many have ate.
- It looks like a cone that's been placed upside down, with that sweet creamy ice cream pushed into the ground. Near Edmondson's Grocery on US25, this Williamstown stop will make a nice ride.
- Peggy is her name and she was a sweet ride when she was built back in 1935. Encased in glass on a street called Front, Lawrenceburg is where you can start this hunt.
- In Todisco on route 3 is where you'll find this fine Lady – with 15 acres of hard stone that is so shapely

## FATHER'S DAY

On July 5, 1908, a West Virginia church sponsored the nation's first event explicitly in honor of fathers, a Sunday sermon in memory of the 362 men who had died in the previous December's explosions at the Fairmont Coal Company mines in Monongah, but it was a one-time commemoration and not an annual holiday.

The next year, a Spokane, [Washington](#), woman named Sonora Smart Dodd, one of six children raised by a widower, tried to establish an official equivalent to Mother's Day for male parents. She went to local churches, the YMCA, shopkeepers and government officials to drum up support for her idea, and she was successful: Washington State celebrated the nation's first statewide Father's Day on June 19, 1910.

Slowly, the holiday spread. In 1916, President Wilson honored the day by using telegraph signals to unfurl a flag in Spokane when he pressed a button in [Washington, D.C.](#) In 1924, President [Calvin Coolidge](#) urged state governments to observe Father's Day.

However, it was not until 1972—58 years after President Woodrow Wilson made Mother's Day official—that the day honoring fathers became a nationwide holiday in the United States.

Today, the day honoring fathers is celebrated in the United States on the third Sunday of June:

## DID YOU KNOW

## FLAG DAY

When the American Revolution broke out in 1775, the colonists weren't fighting united under a single flag. Instead, most regiments participating in the war for independence against the British fought under their own flags. In June of 1775, the Second Continental Congress met in Philadelphia to create the Continental Army—a unified colonial fighting force—with the hopes of a more organized battle against its colonial oppressors. This led to the creation of what was, essentially, the first "American" flag, the Continental Colors.

For some, this flag, which was comprised of 13 red and white alternating stripes and a Union Jack in the corner, was too similar to that of the British. George Washington soon realized that flying a flag that was even remotely close to the British flag was not a great confidence-builder for the revolutionary effort, so he turned his efforts towards creating a new symbol of freedom for the soon-to-be fledgling nation.

On June 14, 1777, the Second Continental Congress took a break from writing the Articles of Confederation and passed a resolution stating that "the flag of the United States be 13 stripes, alternate red and white," and that "the union be 13 stars, white in a blue field, representing a new constellation."

Over 100 years later, in 1916, President Woodrow Wilson marked the anniversary of that decree by officially establishing June 14 as Flag Day.
