## October G Gathering

We had 35 folks and 4 guest at our gathering. We had the traveling plaque, although Chapter A came to visit, they didn't have enough members to capture the plaque, so Chapter G has the plaque and it will be available at our November 12<sup>th</sup> gathering.

Chapter C arranged for the COY mascot to be at our gathering and Ron had the IOY mascots. Steve and Lesley took Monty home and Chanel, Chapter A, took Zeke home.

# Lunch Ride to Glencoe General Store

River Valley Riders fall ride today to [Glencoe General Store](#). Their wood fired pizza is amazing. Cute store too, and beautiful fall riding.

## Lunch Ride – Miller’s Bakery & Gifts

Miller’s Bakery & Gifts was our destination for our October lunch ride. This place is HUGE! They have a deli where you can order sandwiches, which you can split with someone, and many items to purchase. Then they have a bakery, the choices are many and so good. If you are looking for Amish furniture, they have a selection of both living and outdoor living items. It’s worth the drive on a beautiful fall day.

## Trunk or Treat—DCCH Children’s Home

Chapter G had the opportunity to participate in DCCH Children’s Home Trunk or Treat. Donita, Ron, John and I were blessed to hand out candy to this group of kids. These kids were so pleasant, and thankful and happy to have everyone there. This was a great event to participate in and I hope we can do it again next year.

### Be Thankful My Friends

When I woke up this morning to learn that the outside temperature had dropped into the 30's, it prompted me to think of years past. It was always this time of year that our departed friend, Asa Rouse, would publish his thoughts of how he viewed the summers as getting shorter each year as he grew older. Now that I have passed that 80's mark, I too can relate to his way of thinking. However, instead of lingering on something I can do nothing about, I have decided to look at life in a different way.

You see, what many of you did not know was about this time a year ago I was made aware of a physical problem that could have possibly changed my life to a degree I, nor anyone else could predict. So, as I look back at this past year, I think of all that has happened in my life that I am so thankful for, like the time I have spent with my friends and all the new friends I have made. I think of all the wonderful rides in my convertible and on my trike. I think of the numerous camping trips and the evenings sitting by a campfire with a special friend sitting close by me. The rides and destinations mean so very much. I think about how lucky we in this Chapter have been, so very fortunate not to have to face the terrible storms that so many millions in this country have faced this year. I think about the situation throughout the world with all the destruction and dying.

So, you see when I say be thankful my friends, you know what I am speaking of. There is no guarantee for tomorrow, so we must embrace today.

Ron Harper

## Thankful

The First Thanksgiving, back in 1621, commemorated the harvest and was celebrated by the Wampanoag people and the Plymouth colonists. It was a time to be thankful for the food that they grew with the help and expertise of the native people. Thinking about that time, you can imagine how thankful they had to have been to have food for the winter. It's not like they could go down to the corner market if they ran out, and it's hard to grow a garden in the dead of winter, so the harvest was critical to their survival.

Today we have the luxury of shopping for groceries year around, and if the local harvest wasn't so good, we just ship in what we need, and everything is hunky-dory. I, for one, could live without the turkey and pumpkin pie, but it's nice to know it's available whenever the craving hits. And although I am very thankful for the farmers and agriculturists who provide us with an abundant food supply, I find that I have a much larger collection of things to be thankful for.

As my time as Chapter Director draws to a close, I am especially thankful for the opportunity to have served you. Chapter G, now River Valley Riders, has brought so much joy and meaning to my life and it was an honor to lead you all for the past couple of years. I owe a debt of gratitude to all my coordinators who have made this time so productive and easy to manage. Chapter G has been blessed with wonderful folks who volunteer their time to make your time enjoyable. All the fun stuff...rides, weekend trips, dinners, parties, picnics, awards, 50/50 drawings, and information are all thanks to a group of people who selflessly give their time to make our time together great.

With all the changes that have happened throughout our organization over the past few years, I'm thankful for Rick and Leah, who kept our state united and brought us all back together as one strong group. It's so nice to be able to visit other Chapters and join up with them on their rides and events. The State Ride-In and The Blast are so much fun, and I love to make new friends and meet new people as they encounter our organization. I think about where we might be if they hadn't stepped up, did the research and made the communications that kept our State united, and I am so thankful.

I'm thankful for GWRRA, who brought us into this diversified group of fabulous folks. I know that had it not been for that organization, the Nardi's would never have met and befriended folks from such a varied background. I'm thankful for motorcycles, and this exciting hobby that brought us all together. I'm thankful for my Texas GW family, for showing us love from the moment we moved there. I can't imagine any other organization where you can move so far away, without knowing a soul in the area, and within a week, you become enveloped by a group and warm wonderful folks.

And I am especially thankful for all of you; the members who keep coming back for more fun and camaraderie. Chapter G is a very special group of friends. We're there for each other through the good and the bad. We have high-fives and hugs, smiles and tears, and lots of laughter to share. Know that you are SPECIAL to me, and I am so very Thankful.

Happy Thanksgiving

We are now in the off season for riding, but that doesn't mean there will be no rides. We will still have our monthly lunch/dinner ride. There are still chapter visits to ride to. And if weather permits, there could be some impromptu rides.

Our annual Christmas Party will be on December 7th. We're back at Lothar's and as always, it will be a fun night - Toy collection, Dirty Santa, lots of food and just a good time. Hope to see you there. Bring a dessert or appetizer.

Then at our December gathering , on the 10th, we will continue our tradition of Dirty Bingo. Please bring 5 wrapped white elephant gifts, if you want to participate in the Dirty Bingo, and a dessert to share . It is so fun seeing which gift gets stolen the most and then seeing what it is at the end. Remember the white elephant gifts are items you have around the house that you no longer need, what or use. You do not have to buy gifts.

Remember:

- As always, check the [calendar on our website](#) for events for the month so you can plan your calendar.
- Also, be sure to check out the [Kentucky Road Rider](#) website for State events and news.

Hi Chapter G,

Congratulations to our winners from the Tuesday, October 8, 2024, Chapter Get Together!! Leah Cridlin won the \$10 "Membership" Draw this month. Lesley Holder-Hare won 1st place for \$32, Chris Davis won 2nd place for \$19, and Kim Hedger won 3rd place for \$12.

Thank you to all who participated in the October Gathering.

Also, we want to thank Dean & Kim Hedger. They did a great job selling our 50/30/20 tickets. If it was not for Dean and Kim selling tickets this month and our wonderful members and guests purchasing our 50/30/20 tickets, we would not have the opportunity to do the fun events that we do each year.

Chapter G Treasurers*

This month we celebrate two National Holidays. The first is Veterans Day and to all the Veterans, we thank you for your service and your sacrifices to protect our nations. The second of course is Thanksgiving. We give thanks for the health we have and our family and friends.

Chapter G has two classes of yearly rewards; one is about miles ridden in the year and the other concerns attendance at the various events. Certificates are awarded to the three people who attend the most events sponsored by the Chapter. The person in charge of each event is tasked with furnishing a list of participants which are logged and tallied.

Mileage awards are presented for:

Extreme Riders – those who ride more than 10,000 miles for the year

The three top riders below 10,000 miles

The average rider

The person who comes the closest to guessing the combined miles ridden by all the participants in the mileage contest without going over the total is awarded the SWAG Award (Scientific Wild A\*\* Guess). Everyone is encouraged to take a guess.

For those participating in the mileage contest and preparing your motorcycle for the winter, please record your ending odometer reading and forward it to me. If you have more than one motorcycle, record the ending odometer reading for each. If you did not participate in the mileage contest last year, please provide your beginning and ending odometer readings. Send yours and your co-rider’s guess as to total Chapter mileage for the year for the SWAG Award. The deadline to submit data is 11:59 P.M., Sunday, January 19, 2025. You may email the information to me at awards@chapterg.org or give it to me at a meeting.

Riding season may be ending, but you can still attract new members to our group. In the past we have tried exhibiting our hobby at various locations: malls, motorcycle dealerships, etc. This has not proven to get us the attention that we deserve, and with a very busy calendar this year, wouldn't you rather be out riding than sitting in a parking lot? I know that I would. So this year we will be trying something different. We will be ducking!!

What is ducking you say?? Well, we have acquired some very friendly little ducks who have agreed to wear our Chapter information on their bellies. While you're out riding, if you see a motorcycle or trike sitting somewhere and you think that it would look happier if it was with Chapter G, you simply place a little happy duck on the seat and let it do its magic. The hope is that we play on the riders curious nature and they check out our wonderful website. And, if they like what they see, maybe they will come and check us out. It's simple, fun, and doesn't cost us any time sitting in a parking lot waiting for the riders to come to us.

So get a couple of ducks and keep them in your bike/ trike. You will know when the opportunity is right. Let's just do what we love to do, and get out and ride! If you need ducks, just let me know, or come to a get-together and pick some up!

Stay safe and HAVE FUN!!!! \*\* Donita

Hello everyone. I would like to thank all our veterans for keeping this great country of ours free so we can enjoy riding how, where and when we want.

November is the month I like the least. The weather, especially the temperature, is all over the place, the days are short, the animals are active on the highways, the leaves are littering the roads, and work gets really busy. All of this makes me want to just stay inside and sit at my desk or just watch TV. Some of you may feel the same way. But this is not the best response to the situation. I recently was speaking with a chiropractor, and he agrees with the saying "Use it or lose it."

Physical activity is one of the most important steps adults, especially older adults, can take to maintain physical and mental health, along with quality of life. Scientists have proven that being active can help reduce the risk of obesity, high blood pressure, diabetes, osteoporosis, stroke, depression, colon cancer, and premature death. Yet today, according to the Centers for Disease Control and Prevention, more than 60% of older adults are inactive.

I would like to suggest that instead of becoming sedentary during the winter months you work to be just the opposite. Here are two areas on which to focus:

Strength training prevents sarcopenia, which is the muscle deterioration that comes with aging, and it also helps maintain bone mass. Balance is a factor of muscle strength, and balance is important in riding motorcycles.

Aerobic activity keeps the heart strong, lowers blood pressure, and relieves anxiety and depression. This does not have to be like the Tae Bo or Insanity workouts as seen on TV; your aerobics can be as simple as walking or gardening. Some health clubs offer water aerobics for a no-impact workout that is great for the heart and lungs, especially for people with arthritis. Other activities that also count are washing your motorcycle, dancing, carrying the laundry or the groceries, skating, or scrubbing the floor. A regular routine of activity helps when you need to climb the stairs or play with the grandchildren. It will also give you a good base when it comes time to start riding again in the Spring.

As a word of caution though, be sure to consult your health care provider before starting any new exercise program.

Until next month, stay active and be safe.

CAMPING COORDINATOR

After just returning from vacation, we haven't given a lot of thought to camping for 2025. We are still unwinding from our big ocean adventure.

Some things on our minds for planning purposes are...

Where is somewhere fun to camp?

Where is somewhere we haven't camped in a while?

Where is good riding to go along with good camping?

How do we not interfere with other chapter rides/events?

Will others join us from other chapters?

Do you have any answers to our questions? If so, we would love your input. Yes, we love to camp, but we also enjoy planning a good trip for

others to enjoy as well. Send us an email or a text with your suggestions.

If you would like to plan a camping adventure, please let us know. We would love to enjoy your adventure.

Thinking about our next adventures...

*Rick & Leah Cridlin  
Camping Coordinator*

Fall is definitely here, with crisp cool mornings and luckily some nice sunny afternoons. Our October rides to Glencoe General Store in Kentucky and to Miller's Amish Bakery in Appalachian Ohio were surprisingly well attended, likely thanks to the aforementioned weather. While on both rides we expected 3-4 other bikes, we ended up with a surprising total of 9 bikes on each ride.

The food at Glencoe General Store was amazing, especially the wood-fired pizzas. I think everyone enjoyed what they ordered. If you haven't been there, you really must try them. They were very appreciative of our group of 12 people, as we pretty much took over their restaurant. Thanks to Chris D for relaying our arrival time and numbers to the staff there!

So hard to describe the food at Miller's Bakery, except to say other than DELICIOUS the sandwiches were HUGE. The sandwiches are charged by weight, basically the meat and cheeses. Mine was around .85lb and was only \$5.09 and I had to take half home. They had delicious sides also. Many enjoyed shopping the bakery and gift store as well as the bulk food store.

While fall color wasn't the best, due to the dry summer, we did see some nice fall color on the ride. Although we started off on OH SR32, once we got off onto some backroads, we were quite rural, with many roads narrow and without center lines, or should that be Center lines as I have come to think of them after being able to join a fair number of the Wednesday Night Ice Cream rides this year. We had hills, curves, scenic old farms, old small towns and 2 covered bridges. One of the surprises is that we passed another group of Goldwing motorcycles out for a group ride. If we had to guess, we thought it may have been the Milford Oh EWMA group, as, Rick A thought he recognized a couple of faces.

It's been a busy riding season this year, as we almost doubled the number of planned rides (from 7 to 13) with 1 cancellation due to Hurricane Helene and added 10 Thursday Night Ice Cream Rides with thanks to Gary and Michele alternating the planning/leading of those rides with Steve and I.

We would like to thank those who regularly rode tail for us on either the regular rides or Ice Cream rides, so that the whole group could enjoy the ride. A big round of thanks to Gary, Jack, Ron, Donita and Steve C.!!!!

That being said, we hope that even if you weren't able to join us on a ride, or at the restaurant, that you perhaps were able to get to some of these places at your leisure. If you haven't yet and there is still time for a nice ride or even a drive, please check out these restaurants as I don't think we had a single bad experience and the food was delicious at each place.

If you've been places that you think others in the chapter would like to go, we always invite suggestions all year long for places or routes. Suggestions at this time are particularly appreciated, although not leading rides, we are now actively looking for places and planning routes for next year.

## The Month of November 2024: Holidays, Fun Facts, Folklore

November, the 11th month of the year, has 30 days and marks the beginning of the winter holiday season for most folks, even if the winter solstice doesn't occur until late December.

We've made this month, named for the ninth (novem) month in the early Roman calendar, into a social time of community suppers, feasts of thanksgiving, and general elections.

### November Calendar

- **November 1** is Diwali and All Saints' Day.
- **November 2** is Sadie Hawkins Day.
- **November 3** at 2 A.M. is the end of Daylight Saving Time. Set your clocks back one hour on Saturday night at bedtime! See more about DST.
- **November 4** is Will Rogers Day.
- **November 5** is Election Day (U.S.). Don't forget to vote in state and federal elections! Every vote counts. Make an Election Day Cake to celebrate.
- **November 11** is Veterans Day (U.S.) and Remembrance Day (Canada).
- If you're fortunate, you may experience an "Indian Summer" in November, but according to the traditional definition, it can only occur between November 11 and 20! What is an Indian Summer?
- **November 19** is Discovery of Puerto Rico Day.
- **November 28** is Thanksgiving Day (U.S.). Understand the history and origins of Thanksgiving.
- The day after Thanksgiving, **November 29** this year, is known as Black Friday.

### "Just for Fun" Dates in November

November is Banana Pudding Lovers Month—who knew? Here are some more wacky celebrations to look forward to:

- **Nov. 1:** National Cook for Your Pets Day
- **Nov. 6:** Zero-Tasking Day
- **Nov. 9:** National Scrapple Day
- **Nov. 16:** National Button Day
- **Nov. 21:** World Hello Day
- **Nov. 23:** Fibonacci Day

### November Weather Folklore

- If there's ice in November that will bear a duck, There'll be nothing after but sludge and muck.
- November take flail; let ships no more sail.
- If trees show buds in November, the winter will last until May.
- There is no better month in the year to cut wood than November.
- Ice in November brings mud in December
