"FRIENDS FOR FUN, SAFETY, AND KNOWLEDGE"

NEXT GET-TOGETHER: Tuesday 1/13/26 — Acapulco Mexican Grill & Bar, 7718 US 42, Florence, KY 41042. Come eat starting at 5:30pm. 7pm Meeting.

The [website](#) now features an [Event Calendar](#) which lists dates for all social, camping and rides. Details for each type of event are located separately. Ride event details can be found here [Ride Schedule](#).

Welcome to the River Valley Riders, "The G", a local chapter of JMC Riders, located in Northern Kentucky (Florence). We are a group of like-minded motorcyclists who gather to ride! We welcome all brands of motorcycles.

Annual Christmas Party

A huge thank you to Donita, her son, and fiancé for graciously hosting our annual Christmas party at the Affinity of Union clubhouse. The evening was truly delightful—complete with a cozy fire in the fireplace, delicious food and drinks, a lively gift exchange, and plenty of laughter and conversation with our G family.

We had some exciting news to share at the party—our 2026 Couple of the Year and Individual of the Year! Big congratulations to Jack and Carol Redd and to Chris Davis. Way to go!

Annual Christmas Party

December Gathering

Our December get together was a blast! We dove into Dirty Bingo—everyone brought five wrapped “treasures” from home they no longer needed. As the game heated up and the table cleared, the real fun began... stealing gifts! Thanks everyone who brought food to share!

To top it off, Donita read a Christmas story that had us passing our prizes left and right until the final reveal—whatever landed in your hands was yours to keep.

Huge thanks to Donita for pulling off this festive chaos, and to Kim Artmayer for making sure the leftover items found a new purpose at IHM’s annual giving event.

Rolling Into 2026 With Our G Family

Happy New Year, everyone! As we kick off 2026, I want to take a moment to reflect on the incredible year we just shared and look ahead to the adventures waiting for us.

Last year was filled with memorable rides, campouts, and gatherings that reminded us why this chapter is so special. From scenic rides to cozy holiday parties, we proved once again that it's not just about the miles—it's about the friendships, laughter, and stories we collect along the way. This year, we're setting our sights even higher.

Here's what you can look forward to in 2026:

- More rides, more destinations: Our ride coordinators are busy planning routes that mix old favorites with new horizons.
- Community connections: Spotlighting our members and sponsors.
- Fun gatherings: Whether it's bingo, cookouts, or campfires, we'll keep the spirit alive off the road too.
- Celebrating achievements: Honoring our Couple of the Year, Individual of the Year, and all the milestones that make our chapter shine.

I encourage everyone to jump in—share your ideas, stories, and even those quirky roadside discoveries. This chapter thrives because of the energy each of you brings.

So let's gear up, ride safe, and make 2026 a year to remember. See you on the road!

Chapter Directors*

RIDE COORDINATOR

Happy New Year! We hope the holidays were a beautiful end to a wonderful 2025.

If you've been places that you think others in the chapter would like to go, we always invite suggestions all year long for places or routes. Suggestions at this time are particularly appreciated as we are now actively looking and planning routes for this year.

Additionally, new this year, please take a few moments to fill in the Ride Coordinator Questionnaire to help us out with a few questions. It will be available at the next couple of chapter meetings.

We look forward to seeing you at chapter meetings and social events until riding season starts.

*Steve & Lesley Holder
RVR Ride Coordinators*

AWARDS COORDINATOR

Happy New Year! Wishing you a great year of safe riding filled with smiles.

For those participating in the mileage contest and preparing your motorcycle for the winter, please record your ending odometer reading and forward it to me. If you have more than one motorcycle, record the ending odometer reading for each. If you did not participate in the mileage contest last year, please provide your beginning and ending odometer readings. Send yours and your co-rider's guess as to total Chapter mileage for the year for the SWAG Award. **The deadline to submit data is 11:59 P.M., Sunday, January 18, 2026. You may email the information to me at awards@chapterg.org or give it to me at a meeting. If you do not receive an email confirmation from me, then I did not get your submission. Please try again or give it to me or Ron Harper at the chapter gathering.**

Happy New Year. I hope everyone had a nice Holiday season. I do a lot of thinking and planning from inside this time of year, due to the less than favorable weather for going and doing things outside. One of my normal goals is to not make the same mistake twice. I believe those who do not learn about the past are doomed to repeat it. So, I think about what I have done during this past year and apply what I have learned while making plans for this year.

I also like to learn about the things others have done, especially in areas of interest to me, such as motorcycling and vehicle maintenance. Examining the thought processes that others use to solve problems helps me to solve my own problems. And the internet is full of “influencers” and “bloggers” who are perfectly willing to share their experiences, both good and bad, for all to read and see. Even professional sites like **Linked in** have people willing to share stories that teach lessons. The following is one such story I find very inciteful.

A little bird was flying South for the Winter. It was so cold the bird froze and fell to the ground into a large field. While he was lying there, a cow came and sh*t on him.

As the frozen bird lay there in the pile of cow dung, he began to realize how warm he was. The dung was beginning to thaw him out! He lay there all warm and happy and soon began to sing for joy.

A passing cat heard the bird singing and came to investigate. Following the sound, the cat discovered the bird under the pile of cow dung and promptly dug him out and ate him.

There are three things to take away from this story:

1. Not everyone who sh*ts on you is your enemy.
2. Not everyone who gets you out of sh*t is your friend.
3. And when you are in deep sh*t, you would be better served if you kept your mouth shut!

I am looking forward to another year filled with fun and discovery.

*Rick Artmayer
KY State Educator*

River Valley Riders—Chapter G would like to wish a very Happy Birthday and a Happy Anniversary to our members who are celebrating in the month of January. If you have a birthday or anniversary in January that I have missed, please contact me so I can update my roster.
